Effect of Birth Number and Ruling Planet

There are only 9 important planets in our solar system. Similarly, there are only nine numbers by which all our calculations are made. All the other numbers are mere repetitions only. Each number is assigned to a planet, by experts in Occultism, Chaldean, Hindu, Egyptian and Hebrew.

The secret of Numerology is the mysterious law of vibrations. Your birth date can be reduced to a single digit key number. This number represents a planet. You and the planet attached to your number, will have the same vibrations, which lasts all through your life.

Your Birth Number is 6.

The number 6 symbolizes the planet Venus. As a result, you have an extremely magnetic personality and can attract people towards you. You are loved and often worshipped, by those who know you well.

You are very firm in your determination to implement your plans. Therefore, you may be deemed obstinate and unyielding. You become a devoted slave of those you love. Your love is more motherly than sensual. You become romantic and remain ideal in all matters of your affection. You get attached to beautiful things and people. Your house will have something extraordinary for your visitors. Generally, you are fond of rich colours and music.

If you happen to be rich, you will spend a lot for the benefit of art and artists. You love to entertain friends and ensure a happy atmosphere around. You cannot tolerate or withstand discord or jealousy.

Once you get angry, it is difficult to control your temper. You may fight to death for the sake of the person you stand for. Therefore, you are loved and will have a larger number of friends than others. You are indeed fond of persons born under the influence of numbers 3, 6 and 9.

Effect of Birth Number and Name Number

Let us now look at the effect of the 'Birth Number' and 'Name Number' on your character and life.

To achieve the best possible results, these two numbers should ideally be compatible. The general rule is that all the numbers affecting your life should be in mutual agreement with one another.

In your case, the 'Birth Number' and 'Name Number' are not compatible.

The Birth number of a person is a fixed number, as his date of birth cannot be changed. But it is possible to change your Name Number by suitably adjusting the way you spell your name. Alternatively you can adopt a totally new name and achieve a 'Name Number' more compatible with your permanent 'Birth Number'. Thus you can hope to achieve better efficiency in your performances. Such a change will produce very favourable results and set up entirely new vibrations. In turn, your life will become more enjoyable. This has been experienced by many people.

DigiTell software has the special feature to help you identify the appropriate 'Name number' to improve your effectiveness. You are welcome to view the screen for alternate suggestions.

Since you are born between August 21 and September 20, when Venus is in its weak position, you are likely to have some bitter experiences in life. The positive qualities may get neutralised due to the bad influences.

The Effect of Fate Number and Compound Fate Number

In calculating your 'Fate number', the MONTH and YEAR of birth are also considered whereas 'Birth Number' is calculated from the Date of birth only.

The basic, single fate numbers 1 to 9 represent worldly aspects. This number denotes what you appear to be, in the eyes of your friends, colleagues and those you deal with closely. But the double or compound fate numbers represent the hidden influences that play behind the scene. Your destiny or future can be better understood by analysing such compound numbers. So they are said to denote the spiritual aspects. Your birth number gives information about the physical and material side of your life, while the fate number reveals more of occult or spiritual side of your life. The findings based on your 'Compound Fate Number' are as follows:

Your 'Fate Number' is 1 and your 'Compound Fate Number' is 37. This number has a distinct potency of its own. Possibilities of good and fortunate friendship with members of the opposite sex, are clearly seen. It is also good for partnerships in business and life in general. If this number appears in any of your future planning, it will prove to be fortunate.

Hence, you will become manly and famous. You are extravagant and luxurious by nature. You will have lots of

opportunities for enjoying secret love affairs. But you will not bring discredit and dishonour to your family, at any rate. You are sure to achieve a high position in life. You can boldly overcome your obstacles, with determination.

The Effect of Name Number and Compound Name Number

The sages of ancient India, brought forth the theory for the first time, that letters of the alphabet are related to numerical figures. A theory popularised through the English language by Western Numerologists. Thus each letter of your name spelled in English is assigned numerical value. All these numbers are added to get your NAME NUMBER. One can predict your personality characteristics on the basis of your 'Name Number' and its 'Compound Name Number'.

You will be called a boy of great mental strength during your childhood itself, because your 'Name Number' is 1 and your 'Compound Name Number' is 73. You stand a good chance of being rich and famous. You are good at getting anything done your way, without letting others know your hidden purpose. Honours will be bestowed upon you. You must ensure that you are always worthy of the trust people have placed in you. Anything you do, against public confidence, is sure to run your image.

Married Life

You will be fond of girls, who have your own 'Birth Number'. So when you choose your life partner, do remember this fact. Also girls with 'Birth Numbers' 1, 4 and 9 are good for you. Beware of girls whose 'Birth Numbers' are 2, 7 and 8. They are not recommended as compatible partners for you.

Health

You should guard against heart troubles through diet and exercise. You may be a victim of blood pressure, indigestion, throat ailment, bronchial complaints and even venereal diseases, perhaps if you are not careful. However, you can maintain your health at satisfactory levels by yogic exercises, prescribed by experts. Include pomegranates, apples, almonds, basil leaves and gooseberries in your diet. Be cautious and vigilant during the months of May, October and November. Changes are likely in your health at the ages of 6, 15, 26, 42 and 60.

Profession

You have all the potential to become an eminent artist or writer. You don't seem to have any financial embarrassments. Manufacture of ornaments and fancy articles or their sale can be your preferred activities. Professions, connected with publication, distribution cinema and television will keep you happy. Then the possibilities of success seem to be fairly great.

As your 'Birth Number' is 6, the best days of the week for you are Tuesday, Thursday and Friday. When you fix dates for vital matters, remember to choose these days.

Find out the real dates satisfy both the conditions. (ie. good date as well as day of the week). You should give top priority to execute out your most important plans and ideas on these days only.

Harmony of Numbers

The numbers affecting your life are, 'Birth Number', 'Fate Number' and 'Name Number'.

In your case they are **6**, **1** and **1**

Remember that other numbers in harmony with your 'Birth Number' are 5 and 8. Also, the letters U V W are good for you.

As far as possible all your numbers should have the same vibrations as your "Birth Number", in order to produce harmonious vibrations. Or else, there may be a clash of numbers affecting your life thereby resulting in poor performance.

Ideally, your house or vehicle number should vibrate with your favourable number. If the number of your house or vehicle cannot be changed due to other reasons, you can evolve suitable names for your house and vehicle, with similar vibrations.

The name of the town, city or country where you stay should also produce the same harmonic vibration as that of your Birth number. This can be determined by the use of 'DigiTell'.

Compatibility with Others

5 & 8 are the numbers that are in perfect harmony with your 'Birth Number'. But 3 and 9 won't harm you in any way. However, beware of numbers 1 and 2 which are, in fact, your enemies. You should have these matching numbers in mind when you enter into business partnership or marriage alliance to avoid misfortune. Choose your life partner with due consideration of the numerological compatibility mentioned here.

Favourable Colours

Make sure you dress yourself in colours most favourable for you. Your lucky colours are all shades of blue, green and red. These colours, have an excellent effect on soothing your nerves. You will also be able to rest and sleep better in rooms having your own favourable colour shades. should at least employ the recommended colour in your neck ties, shirts or handkerchiefs.

Music

Number and music show very decided affinities. Listen to the kind of music that stimulates and energizes you.

Since your 'Birth Number' is 6, you should ideally listen to romantic, and sweet music with rhythm.

Favourable Directions

The abode of Venus, the lord of number 6 is East and South- West. Therefore you should perform your important activities facing this direction. When you make a journey for something very important, take a few initial steps towards this direction first. This will no doubt bring you fortune. Arrange your office table and discuss matters of importance with this fact in mind.

Prayers and Mental Tuning

Since your 'Birth Number' is 6, It would be good for you to worship Venus, if your religious faith allows you to do so. Besides, chanting hymns in praise of 'Mahalakshmi' will bring you luck.

The effectiveness of your Birth Number can be further improved by suitably employing your inborn capabilities. You are dearly bestowed with the power of concentration of your mind. This can be developed and utilised to any level depending on your determination. You should also grasp the meaning and symbolism of your 'Birth Number'. You should think and emotionally attempt to merge with that number and the symbol. In time, you will become part and parcel of your number. This aspect of the science is well developed by the ancient Indian culture. Our learned Gurus have developed mantras and poojas with the repetition of the names of Gods and Goddesses to facilitate your power of concentration.

Await eagerly the date you have fixed for action, based on the guidelines for choosing dates. Focus your mind on the programme and do not hesitate. Head straight to your topic and do the job well.

As you begin to follow these suggestions, do not expect to find any dramatic change in your luck instantly. Change is a slow process which requires patience and determined effort. With confidence, you are sure to succeed and become more effective.

With the best wishes
