## Varsha Phal

The sun transits one circle of 360 degrees of the zodiac in a whole year. To analyse the results for a specific year of your life, a horoscope is cast for the time when the Sun in transit reaches exactly where it was at the time of your birth. This horoscope is used to predict events and foretell your life for that particular year. The annual or progressed horoscope is similar to that of the Siderial Solar Return chart in Western Astrology.

Varshaphal is also known as the Tajaka or Tajik system of astrology. Of the many writers, Nilakanta and Kesava are the two great authors who have written elaborately on the Tajik system.

The annual horoscope analysis and predictions given here are based on the principles of the Tajik system. The point called Varshapravesh, is the entry into the new year and has great significance. This is calculated as per the elaborate methods suggested in the ancient texts. The day of the week of your birth, is also considered for Varshapravesh. Apart from the ascendant in the annual chart, called Varsha Lagna other important influences analysed are that of the Muntha, the Lord of Muntha and the Lord of the year.

There are wide differences in rules, for judging a horoscope under the Parasara system and the Varshaphal. The set of rules for aspects and combinations in the two systems are distinct. The strength of the planets are ascertained by Panchavargiya Bala rather than Shadbala, as in the Parasara system.

In the foregoing analysis, you can see that the effects of various factors are sometimes contradictory and at times reinforcing. While some unfavourable influences are neutralised by favourable factors, often you will experience all these at least partially at sometime during the year. An overall judgement of the year ahead is given at the end of each annual forecast.

Please remember that the Varshaphal period covers an entire year from the day of Varshapravesh, which is approximately from one birthday to another.

The predictions given here are indications of the fortunes ahead and you can surely surmount any hard times, by your diligence, will-power and the grace of God.

## Forecast from 1-January-2022 to 18-July-2022 Year :: 40

## Effect of Muntha

Muntha is a sensitive point in the annual horoscope. Muntha moves by one rasi per year from the birth ascendant. The position of Muntha in the annual chart has a significant effect on the results one can expect during the year.

Muntha is in the fourth house. This is not a favourable position in the annual chart. During this phase, you may have to face up to certain problems. You may worry or encounter problems due to some situation caused within your family. Disputes with close friends and relatives are likely to happen. Work hard to ensure you do not lose your position or rank. Do try and take care of your health.

## Lord of Muntha

The lord of the house where Muntha is placed is called Munthesh, the Lord of Muntha. The effect of Munthesh is only secondary to that of Muntha.

It is important to note that in your annual chart, the Muntha as well as the Lord of Muntha are in unfavourable positions. The malefic effects are therefore reinforced.

The lord of Muntha is in the seventh house. For you, this year will bring you periods of ill health for you and your husband. You may have to get away from your daily routines and rest yourself. Take some time off from your professional and household duties. You may experience tension due to a situation created within your family. Losses could come to you in some form but do not be upset about it. You may travel more often this year.

## Lord of the year

Varsheswara, the lord of the year is selected based on various factors as shown above. The lord of the year has a significant influence on the events that unfold during the year. The strength of the planet is also an important consideration.

Moon is the lord of the year and is strong. This year will improve the income levels of your family and may even help gain some wealth. Your family will keep you happy. You will be a popular woman among your family and friends. There can be a rise in your position at work or in some socio-cultural organisation where you are actively involved. You could dominate over those you considered your opponents. And something you desired could be coming true, this year.

## Birth Lagna

The position of birth lagna in relation to varsha lagna has special significance.

The birth lagna and varsha lagna are the same for this year. This is known as 're-birth year'. During the coming months, you may be under some kind of pressure and experience moments of anxiety. Your health also could be affected. If you already have some problems, try and avail good medical care. You are likely to remain tense during some part of the year. However, you can face any hardships with fortitude.

## Planets in houses

The effects due to the position of planets in different houses of the annual chart are outlined below. These influences modify the intensity of good and bad results forecast based on the parameters analysed earlier.

The Moon is in the seventh house. This indicates happiness through men. Romance, marriage and gains through trade and foreign travels. Smooth sailing in business.
