Effect of Birth Number and Ruling Planet

There are only 9 important planets in our solar system. Similarly, there are only nine numbers by which all our calculations are made. All the other numbers are mere repetitions only. Each number is assigned to a planet, by experts in Occultism, Chaldean, Hindu, Egyptian and Hebrew.

The secret of Numerology is the mysterious law of vibrations. Your birth date can be reduced to a single digit key number. This number represents a planet. You and the planet attached to your number will have the same vibrations which lasts all through your life.

Your Birth Number is 2 .

The number 2 symbolizes the Moon. It has the feminine attributes of the Sun. Consequently you tend to make harmonious vibrations with people whose numbers are 1. You may have opposing characteristics of each other outwardly. You can be good companions of one another, since you vibrate well together.

You are gentle by nature. Further, you can be imaginative, artistic and romantic. You may not be as forceful as a number 1 person, in executing your plans. Consequently you may appear less aggressive, perhaps. Your capabilities are more on the mental plane, than physical.

It is possible that you may appear restless and unsettled at times. Due to one reason or other, you lack continuity of your plans and ideas. It would reflect, as if, you lack self- confidence. You are also inclined to be over sensitive to the reactions of others. An unhappy surrounding can easily make you despondent and melancholic.

Effect of Birth Number and Name Number

Let us now look at the effect of the 'Birth Number' and 'Name Number' on your character and future.

To achieve the best possible results, these two numbers should be compatible. The general rule is that all the numbers affecting your life should be in mutual agreement with one another.

In your case, the 'Birth Number' and 'Name Number' are not compatible.

The 'Birth number' of a person is a fixed number, as his date of birth cannot be changed. But it is possible to change your Name Number by suitably adjusting the way you spell your name.

Alternately you can adopt a totally new name and achieve a 'Name Number' more compatible with your permanent 'Birth Number'. Thus you can hope to achieve better efficiency in your performances. Such a change will produce very favourable results and set up entirely new vibrations. In turn your life will become more enjoyable. This has been experienced by many people.

ASTRO-VISION DigiTell software has the special feature to help you identify the appropriate 'Name number' to improve your effectiveness. You are welcome to view the screen for alternate suggestions.

Since your name starts with the letter D, it has special significance for you

Your self sufficiency is clear. You will not communicate with your people around. You remain close lipped. It may cause concern, confusion or misunderstanding. You will have only a few friends with whom you openly share what is going on in your mind. Your ability for endurance will be appreciable.

You have a dignity of your own. You give due importance for matters of prestige. However, compared to many others you may take a bit more time to act, even in emergency situations. Others may say that you are lethargic.

Your 'Birth Number' is 2 and since the letter 'R' is present in your name, you try to fulfill your innate desire to be well known. Your self-confidence will help you succeed always. You have always been on the move right from your girlhood, it seems. Your insight into men and matters is splendid. You can be a little domineering, at times.

Your 'Birth Number' is 2. So you are sure to become popular. By nature, you are a gentle girl of mild disposition. You are imaginative and can enjoy abstract ideas and innate beauty, more than what you see before you. You are naturally fascinated by art and literature. Though a humanitarian at heart, you do not trust people blindly. Generally you exhibit more emotional strength than physical. However, occasionally, you may act as if you lack mental power and determination. Your vindictiveness and irritability may work as major hindrances for success. You are thoughtful and will fight for justice at any cost. The feelings of any unfairness will inflame you. On such occasions, it is natural that you lose your self-control. Or else, you may be disinterested or even indifferent. Alternatively, you may even be short tempered at times.

As you are born on 20th, you may consider yourself to be a divinely blessed girl. But you will become all the more adorable, if you shed away selfishness and greed. You can also be a good example to others. It would be ideal, if someone close to you could guide and control you. If your husband is sufficiently understanding, loving and intelligent, he can take up this role. So your life can be a grand success. You can discover your own gifts and talents only with the help of others. You get enlightened and encouraged when others praise and support you.

The Effect of Fate Number and Compound Fate Number

In calculating your 'Fate Number', the MONTH and YEAR of birth are also considered whereas 'Birth number' is calculated from the Date of birth only.

The basic single fate numbers, 1 to 9, represent worldly aspects. This number denotes what you appear to be in the eyes of your friends, colleagues and those you deal with closely. But the double or compound fate numbers represent the hidden influences that play behind the scene. Your destiny or future can be better understood by analysing such compound numbers. So they are said to denote the spiritual aspects. Your birth number gives information about the physical and material side of your life. While the fate number reveals more of occult or spiritual side of your life. The findings based on your 'Compound Fate Number' are as follows:

Your 'Fate Number' is 4 and your 'Compound Fate Number' is 31. You are thoughtful and logical. You have the special mental ability for retrospection. So you will be upheld among your colleagues. You will not give any undue weightage for material success. Your concentration is on the development of mental faculties. Consequently, you may be either poor or rich. It does not matter to you personally. You are reserved and more self contained than many of your friends. You prefer to be lonely and remain isolated from your co-workers. This number does not promise much of worldly fortune.

You are likely to succeed in all the projects you undertake. The main reason is that you will embark upon something, only if you are doubly sure that it will lead to success. Your profession will bring you fame and fortune. You will ever remain as a girl full of drive and energy.

The Effect of Name Number and Compound Name Number

The sages of ancient India brought forth the theory for the first time, that letters of the alphabet are related to numerical figures. A theory popularized through the English language by Western Numerologists. Thus, each letter of your name spelt in English is assigned a numerical value. All these numbers are added to get your NAME NUMBER. One can predict your personality characteristics, on the basis of your Name Number and its Compound Name Number.

Since your 'Name Number' is 4 and 'Compound Name Number' 49, you are lucky enough to prosper in life, without much effort. You will be known as a good and virtuous girl, during your school days. Your married life will of course be eventful. However certain misfortunes may overtake you at a time, when you do not expect it at all. But you will escape everything with divine blessings. Eventually you will be called a lucky lady by those who know you.

The number 49 makes it possible for you to look back and make a self analysis when required. Further, you are able to make logical deductions based on your own thought process and observations. In a short time, you will establish intellectual superiority over your colleagues. Most of your achievements are on the basis of your mental superiority and development. You are not concerned about the material side of life. Therefore you may or may not become rich.

Married Life

You are most likely to marry a man whose 'Birth Number' is 7. If such a marriage takes place, it will be a success. It is also possible that a husband governed by 'Birth Number' 3 or 6 also will bring you fortune.

Health

You are advised to be careful not to get affected by indigestion or diabetes. You can control these ailments with moderate dieting from the very beginning. Plan your food rather than eating just anything. You are susceptible to eye ailments frequently. You should drink plenty of water, or else you may get infectious diseases. You should take precautions against jaundice and ulcers. Include vegetables, cabbage, cucumber and fruits in your diet. However, you must control your tendency to overeat. Take special care of your health during the months of January, February and July. During these months, you must avoid unusual hard work. You are advised to be watchful of your health, at the ages of 20, 25, 29, 43, 47 and 52.

Profession

You will no doubt succeed in politics and law. Besides, music literature, dance, acting, painting and fine arts may help you achieve success, if you make a serious attempt. You can become successful by being in the printing and publishing, textile or jewellery business. If you take up a job, it is likely to be related art, directly or indirectly.

Remedies

The purpose of the study of DigiTell Numerology report is to analyse and understand how to improve your personal effectiveness in real life situations. The following guidelines will be useful for you.

Favourable Days

Your 'Birth Number' is 2. This is the most significant date for you. Any appropriate series of this number as well as other numbers harmonious with 2 can also be utilised as good dates. Therefore, the dates good for you are 1, 2, 6, 7, 10, 11, 15, 16, 19, 20, 24, 25, 28 and 29. Chose only these dates for important matters:

As your 'Birth Number' is 2, the best days of the week for you are Sunday, Monday and Friday. When you fix dates for vital matters, remember to consider these days first.

Find out the exact dates which satisfy both these conditions. (ie. good date as well as day of the week). Give top priority to carry out your most important plans and ideas on these days only.

Harmony of Numbers

The numbers affecting your life are,'Birth Number','Fate Number' and 'Name Number'.

In your case they are 2, 4 and 4

Remember that other numbers in harmony with your 'Birth Number' are 1 and 5. Also, the letters B,K,R are good for you.

As far as possible all your numbers should have the same vibrations as your "Birth Number", in order to produce harmonious and effective vibrations. Or else, there may be a clash of numbers affecting your life, thereby resulting in poor performance.

You should make all possible efforts to stay in a house or travel in a vehicle. Ideally the number of your house or vehicle should vibrate with your favourable number. If the number of your house or vehicle cannot be changed due to other reasons, you can evolve suitable names for your house and vehicle, which produce vibrations.

It is desirable that the name of the town, city or country where you stay should also produce the same harmonic vibration as that of your Birth number. This can be deter- mined by the use of

'DigiTell'.

Compatibility with Others

Since your 'Birth Number' is 2, your lifetime associates must be those whose 'Birth Number's is 3, 6, 8 or 9. It would be good, if you could remember this fact when you enter into business partnership and marriage alliance.

Favourable Colours

Make sure you dress yourself in colours most favourable for you. Green is your lucky colour and white is good for you. But red and black are not generally in your favour. Your favourable colours, have an excellent effect on soothing your nerves. You will also be able to rest and sleep better in rooms having your own recommended colour shades.

Music

Number and music show very decided affinities. Listen to the kind of music that stimulates and energizes you.

Since your 'Birth Number' is 2, you should listen more to string and wind instruments such as violin, cello, harp and pipe.

Favourable Directions

The abode of the MOON, ruler of your 'Birth Number' 2, is NORTH. When you set out for anything, you are advised to first take a few steps Northwards, bearing in mind the significance of the Moon before you proceed to your destination. Your important decisions must be taken while facing North. This will no doubt bring you luck. Also, see that your work table is placed in the same direction. If so, intellectual power and concentration will increase tremendously.

Prayers and Mental Tuning

Since your 'Birth Number' is 2, you should seek the blessings of MOON, the Lord of your number. You can enjoy peace of mind, if you worship the Moon, especially on Monday, the day of the Moon. Your prayers and meditation on this day will bring you better results. It is advisable to take important decisions on the days when the Moon is strong.

It is believed that the worship of Durga, the goddess of the Moon and prayers offered at the Durga temple will help you fulfill your desires. You may practice this, depending on your religious faith. Alternatively, if you chant your prayers and meditate in silence on the full-moon night, you will find amazing solutions to your problems. This can be effectively practiced, irrespective of your religious inclinations.

The effectiveness of your Birth Number can be further improved by suitably employing your inborn capabilities. You are clearly bestowed with the power of concentration of your mind. This can be developed to any level, depending on your determination. You should also grasp the meaning and symbolism of your 'Birth Number'. You should think and emotionally attempt to merge with your number and the symbol. In effect you should identify yourself with your number. In time, you will become part and parcel of your number. This aspect of the science is well developed during the ancient Indian culture. As a result our learned Gurus have developed mantras and poojas, with the repetition of the names of Gods and Goddesses, to facilitate your personal power of concentration.

Await eagerly the date you have fixed for action, based on the guidelines here. Focus your mind on the programme and do not hesitate. Head straight to your topic and do the job well.

As you begin to follow these suggestions, do not expect to find any dramatic change in your luck instantly. Change is a slow process, which requires patience and determined effort. With confidence, you are sure to succeed and become more effective in your dealings.
