## Ashtakavarga

Ashtakavarga system is a predictive method of Indian Astrology that uses a system of points based upon planetary positions. Ashtakavarga means eightfold categorization. It depicts eightfold strength of planets excluding the nodes of the Moon but including the ascendant. It is worked out according to certain well-established rules for measuring the planetary strength. The strength of each planet and the power and intensity of their influence depends upon the location of other planets and the ascendant in relation to it. Eight full points are assigned to each planet. They can obtain strength varying from zero to 8 points which, plotted on different signs in a chart, determine the possibility of a transiting planet in inducing auspicious or other effects during its sojourn in a particular sign.

## Analysis of Saturn in your birth Chart

The condition of Saturn in your birth chart is very important to analyze the result of Saturn in transit. Saturn is the indicator of Karma , during its transit will remind you what you have done in the past. You will understand what you have to do and how much righteous you should be in your life. This transit can give you some straggles despite the condition of Saturn in your birth chart.

You are a Leo lagna and Saturn is the ruler of your 6th and 7th lord. The 6th house is a upachaya house and it represents work, colleagues, health, debts, responsibilities and pets. You will take some time to set a solid foundation at work. Relationship with colleagues and liabilities can become somewhat complex. The 7th house is dealing with the spouse, marriage, personal and professional relations, agreements, contracts and open enemies. These matters also will come to you with well-planned moves. More than an early marriage, marriage during the late twenties will be more beneficial for you. You will not like to jump into any steady relationships. Agreements and contracts also may take some time to reach fruition. This should not make you a frustrated man. Since Saturn is showing delays and structured moves, you are requested to study the features of these houses and make practical moves.

Saturn is in the sign of Aries, which is the debilitation sign of Saturn. This is the house of Mars and Saturn being the arch enemy of Mars, will not be happy in this sign. Aries is the sign of determination, sportive nature & competitive mentality and when Saturn comes here, it will bring a slowdown in your efforts. You may have pain in the muscles. Before you take a solid move, you may work a lot on your plans. This can bring a slowdown in your relationships also. When you see Saturn in Aries, then you should control your tendency to be in a hurry. Please don't be an impatient man. You will only get success when you are slow and steady. This placement will give good listening skills. A lot of responsibilities will follow you always in life.

# Transit forecast

From : 24-Jan-2020 To : 17-Jan-2023

Transit forecast is based on the comparison of the present position of planets with those in the birth-chart. The movements of the Sun, Jupiter and Saturn have a great influence on your life. Sometimes the effects may be opposing, nullifying or reinforcing. The net effect is not indicated, but you should be able to get an idea of the dynamics at work by studying the impact of each particular transit aspect. Your immediate future, therefore, is a blend of the following predictions.

## Transit of Saturn

Saturn is generally a sorrowful planet and its influence can be depressing. However, in certain positions it gives powerful and beneficial results. Saturn takes about two and a half years to move through a sign.

During this period Saturn transits the Tenth house.

The tenth house is the own house of Saturn and it will try to impose a lot of restrictions or conditions in the social domain. This house represents career, social status, bosses, authority and ambitions. You will have a slow and steady progress. This slowness is good for your responsibilities. There is no point in being an impatient man. You will get new inputs from your mentors. At the same time, you can get into power struggles. Your family will have a different expectation. Try to understand their view and be slightly flexible. There will be chances for arguments, so you have to be careful. You may have to really work hard on certain projects. The more you spend your time and energy in improving your work, and the more you will reap. That's the true fact behind Saturn transit.

When Saturn moves through own sign of power, authority and social status you will naturally try to improve your power and authority. Saturn will influence your family matters too. In your ashtakavarga, your points in Capricorn are within 28 to 33. Please don't try to take up extra burdens during this transit. New opportunities may come to you. The matters in the house which Saturn transits should be tracked and you have to make some specific plans for that.

Saturday Fasting

Saturday fasting (vruth) is the best remedy for alleviating the malefic effects of planet Sani/Saturn. Observance of Saturday fasting on these unfortunate periods is always advisable. Though, the fasting recommends to avoiding food for the whole day, those who can't endure this may observe it with a single meal. Chanting prayers of Lord Sani and visiting temples of Lord Sastha or Hanuman are also significant to this fasting. Wearing black clothes and conducting Saneeswara Pooja (Lord Sani pooja )are recommended.
