Analysis of Rahu and Ketu in your birth Chart

If we look at Rahu and Ketu in an astrological perspective, they both are seen to be connecting us with our obsessions and detachments. Rahu denotes obsessions, passions and desires which we have in our present life and Ketu shows detachment, isolation and lack of interest. So, whichever house Rahu is placed, you will see that you have an instinct to acquire those features of that house. The matters of that house naturally come to you. While the features of the house where Ketu is placed may give you a distant mentality to those things.

Since Rahu and Ketu are the part of one body, you will see that they are always seven houses apart. If Rahu is in the first house you will see Ketu in the seventh house. They travel most of the time in retrograde motion and very rarely they move direct. The rate of their direct motion is very minute, so it is difficult to see a birth chart with Rahu and Ketu in a direct mode.

In this report, you will get the result based on the present transit of Rahu and Ketu. They change signs in every 18 months. The result of the changes is always depended on the placement of Rahu and Ketu in your birth chart. The house, the sign, the nakshatra and the house lord also play an important role in finding the result of these transit planets. It wants to conquer the matters of the house which it is placed. That is the basic definition of Rahu in any house. So, you have to use this aggressive energy in a productive mode. Otherwise, there can be disruptions in the matters of the seventh house and it can bring losses to you. As a man, you should try to adopt a diplomatic move while dealing with your partners. Let it be with your spouse or with your business partners. Rahu is good for fame in the seventh house. You must take due care in making friendships. Since Rahu will push you to get instant victories, you may lack that discerning power in identifying what is good for a long term. This deep desire for victory can put in wrong groups or illegal business deals.

Ketu is in first house

Ketu always indicates detachments and isolation. In your chart, Ketu is in the first house of your personal life, identity, integrity and own efforts. You may get the concurrent thoughts that you yourself should be your inspiration. It is obviously a 'me me' attitude. Since Ketu is deemed to be a headless planet, you may occasionally fall into illogical thoughts. As a man, such illogical thoughts may guide you to impractical decisions. These decisions can have a lifelong impact. Ketu is known as second Mars, and, in the 1st house, Ketu is always powerful. Kindly make wise moves in your life. The essence is that you realise that you are programmed to recurrent wrong decisions in your life.

Life is all about gaining maturity throughout. When you see Ketu in your first house, you must understand that you will have more victories when you enter your second phase of life. Golden days of your life will start by then. The universe has a definite program for you to learn much from your life as well as others. This placement is very good for intuitions.
