## Marriage etc.

The various aspects of your married life are influenced by the 7th. house.

Your 7th lord is in the 2nd house. You will gain wealth after marriage, as your wife will be lucky for you. Thereafter, your progress in life and much of your good fortune can be attributed to her blessings and stars. But, you may not have many sincere friends. You enjoy travel. You will be tempted to get involved in questionable activities. Many problems arise on account of your acquaintances since you are not particular about the people with whom you associate. You may be falsely accused and have to answer for something you didn't do. Remain self-assured and you should be fine.

Since the 7th lord is afflicted, you will be hard working even as a child. You will gain wealth through swift, but unusual, methods. Your enemies may question your sudden gains and may insinuate that you acquire wealth unethically. You may have to face questions or inquiries regarding your finances. You will eventually become interested in social reform and in the upliftment of the poor. You may be called upon to attend funerals or memorials.

Since your second house is a dual sign and afflicted, there is a possibility of more than one marriage.

A person from the south could make an ideal partner for you.

Jupiter is in your 7th house. You will be smart, intelligent, and effusive, even in childhood. You will appreciate education. You will, after some searching, find the woman you wish to marry. Your marriage will bring luck to your life. You have good luck in speculative or productive enterprises. You will be a good father and devoted husband.

It is seen that the seventh house is hemmed in between malefic planets. Therefore the good effects given by other planetary combinations or positions will not be fully experienced. Delays and difficulties in marriage are to be expected.

Apart from the above, you should be happy to note that there is a beneficial influence of Jupiter on the seventh house and this reduces any bad effects predicted otherwise.

## Kuja Dosha Check

Great importance is attached to the effect of KUJA in a horoscope. Kuja plays an important role in determining marriage compatibility. Often people say that there is Kuja dosham in a horoscope simply because Kuja is in the 7th. or 8th. house. However, authentic books on astrology gives several rules of exception by which Kuja dosha can be considered as nullified. A proper analysis on this basis is given below to see if there is Kuja dosham in your horoscope or not.

In this horoscope, Kuja (Mars) is in the Sixth house.

With respect to lagna there is no Kuja dosha in this horoscope.

## Rahu Dosha & Ketu Dosha

Rahu and Ketu, North node and South node of the moon respectively, are always seven houses apart from each other. Even though they never form a conjunction, they aspect each other and they both are always in a retrograde. Rahu signifies obsession and Ketu signify obstacles and detachment. As Rahu can give you more desires to attain the features of the house which it is posted, it can be compared with Jupiter because wherever Jupiter is posited it magnifies those things. Whereas, Ketu behaves like Saturn, by creating obstacles or delay in the matters of the house which it is posited.

As they are transiting in opposite directions, they represent opposite vibrations when one is passion for materialism and the other force you to detach from the worldly pleasures and submit yourself to the utmost form of spirituality.

## Rahu Dosha

You and your partner can be lucky to get some fortunes. Desisting yourself from easiness and luxuries would keep the family financially stable. Always believe in hard work and avoid easy ways of making money. You may have to be stronger at certain situations where you fail to get the support of relatives. More concern on personal desires will not be good for you. You could make your life happier by being positive towards your partner's attitude. Believing in truth and integrity would help you win over allegations. Caring your age and hormonal matters helps to maintain a healthy life. You should pay more attention towards your children's health.

Weak Rahu may make you susceptible to financial losses and ailments.

## Remedies To Rahu Dosha

To alleviate the bad effects of Rahu, you can follow the below mentioned remedies.

In some temples banyan tree and neem tree are grown nearby, and Naga deities are placed close to their base. Do Prathakshina (Parikarma) around such deities and offer abhisheka of turmeric powder.
