Varsha Phal

The sun transits one circle of 360 degrees of the zodiac in a whole year. To analyse the results for a specific year of your life, a horoscope is cast for the time when the Sun in transit reaches exactly where it was at the time of your birth. This horoscope is used to predict events and foretell your life for that particular year. The annual or progressed horoscope is similar to that of the Siderial Solar Return chart in Western Astrology.

Varshaphal is also known as the Tajaka or Tajik system of astrology. Of the many writers, Nilakanta and Kesava are the two great authors who have written elaborately on the Tajik system.

The annual horoscope analysis and predictions given here are based on the principles of the Tajik system. The point called Varshapravesh, is the entry into the new year and has great significance. This is calculated as per the elaborate methods suggested in the ancient texts. The day of the week of your birth, is also considered for Varshapravesh. Apart from the ascendant in the annual chart, called Varsha Lagna other important influences analysed are that of the Muntha, the Lord of Muntha and the Lord of the year.

There are wide differences in rules, for judging a horoscope under the Parasara system and the Varshaphal. The set of rules for aspects and combinations in the two systems are distinct. The strength of the planets are ascertained by Panchavargiya Bala rather than Shadbala, as in the Parasara system.

In the foregoing analysis, you can see that the effects of various factors are sometimes contradictory and at times reinforcing. While some unfavourable influences are neutralised by favourable factors, often you will experience all these at least partially at sometime during the year. An overall judgement of the year ahead is given at the end of each annual forecast.

Please remember that the Varshaphal period covers an entire year from the day of Varshapravesh, which is approximately from one birthday to another.

The predictions given here are indications of the fortunes ahead and you can surely surmount any hard times, by your diligence, will-power and the grace of God.

Effect of Muntha

Muntha is a sensitive point in the annual horoscope. Muntha moves by one rasi per year from the birth ascendant. The position of Muntha in the annual chart has a significant effect on the results one can expect during the year.

Muntha is in the fifth house. This is a good position for Muntha. During this phase, you will be more involved in pious and charitable deeds. There could be a newborn in your family or happiness due to children. During this year, you will have many opportunities to meet important people in influential positions. Its an ideal time for you to perform well in your career. People will acknowledge your talents and you will become popular.

Lord of Muntha

The lord of the house where Muntha is placed is called Munthesh, the Lord of Muntha. The effect of Munthesh is only secondary to that of Muntha.

In this case, while Muntha is placed well, the Lord of Muntha is in an unfavourable position. This nullifies some of the good effects given by Muntha. Also, some difficulties will be experienced during the year.

Munthesh is in the sixth house. For you, this year could bring with it some moments of vindication and defeat. Take care not to feel devastated by such happenings. There could be certain losses, too. It could be the giving up of some coveted post or something you value. Ill health could affect you during this period. But do not get upset. And try not to lose your cool, even in the face of difficulties.

Lord of the year

Varsheswara, the lord of the year is selected based on various factors as shown above. The lord of the year has a significant influence on the events that unfold during the year. The strength of the planet is also an important consideration.

Mercury is the lord of the year and is strong. This year, you could gain wealth by your tact and diplomacy. Trade prospects are bright and you could gain from latest technical knowledge and know-how. Your efforts will be rewarded by laurels and honours. You will be successful in discussions and at sports too. You will be a popular man among your family and friends. They value and listen to your advice more than ever during this period. Your friendship among aristocrats and learned men will stand you in good stead.

Birth Lagna

The position of birth lagna in relation to varsha lagna has special significance.

Birth lagna is the annual third house. During this year, there will be moments when you could display unusual bravery. Your self confidence will go up and this may tempt you to some risky deeds. You will be a well-known man in your community.

Planets in houses
