Bhava Predictions

This report describes the influence of planets on your character and life. You may find repetitions or contradictions in the report which only show the interactive nature of various planets on your life.

Personality, physical structure, status

The first house of the horoscope represents the personality characteristics, physical structure, status and fame of the person.

Based on the position of Lagna the following characteristics may be present in your personality. You are: sarcastic; impulsive; intelligent; strong-willed; secretive; quarrelsome; sickly in childhood; sharp; quick-witted; inconstant; excitable; a good conversationalist. You do not take advice well. You will probably argue with your parents over money or land. The second half of your life will be luckier than the first. You may have special marks on your palms or feet. You are a good correspondent. You do well in competitions. You enjoy luxury. If your musical talent is cultivated, you can become truly proficient. You also have a talent for art, dance, or singing. You may have digestive trouble, so watch your diet.

Since your Lagna lies in the first Drekkana of its house, you will face financial uncertainties and problems early in life. Consequently, you work with determination. In time, you will amass considerable wealth. Generally, you will have more than one source of income. Your preferred areas may be business, journalism, and industry. You should be prepared to face powerful enemies and extensive litigation. You have a fascination for speculation, but don't spend a lot of money since you'll probably not do well. Stocks, shares and industry will seem particularly attractive to you. The important years in your life are 14, 22, 23, 29, 30, 40, 41 and 45.

Since the lord of the ascendant is in the 3rd house, you participate in acts that are courageous and honourable. You are capable of maintaining parallel relationships with different people, which is fine in casual friendships but dangerous when it comes to romance. Some of your ways appear unorthodox or unnatural to others. People may talk about you, so if you don't want them to, don't flaunt your life-style. You may gain acceptance in the world of music or mathematics, especially through the help of your brothers. Your health will be variable.

Since the Sun is in your first house you may be courageous and quick tempered, but easy going. You will experience unusual delays in most of your undertakings. There might be something unique about your eyes.

Since Mercury is seen in the first house, you are a charming conversationalist. You will be learned, disciplined, and wealthy by own efforts. You will also be long-lived.

Since Jupiter is in your first house, you will probably be attractive, intelligent, brave, conscientious, and wealthy. You will probably lead a long life.

Since Lagna lord is exalted, you are eligible to occupy high posts of authority.

The aspect of Saturn on the first house, seen in your horoscope, is not a good indication and it is essential that you take all efforts to keep away from unclean environment and doubtful company of friends.

Wealth, land and properties

Land and properties, wealth, family, speech, food and skills are some of the important topics highlighted by the second house in a horoscope.

As the 2nd lord is in the ascendant, there is little doubt that you ultimately make money. However, your relationship with your parents and siblings will be far from satisfactory. Even in youth, you will look beyond the home for comfort and pleasure. You may resent your parents and see them as barriers to your progress and happiness. In business, you must remain vigilant so as to avoid fraud. Your financial fortunes will rise and fall intermittently, and therefore cause you much worry. You are occasionally abrupt or rude to others.

Since Rahu is positioned in your 2nd house, fluency of speech may be affected. There will be something remarkable about your face. You will be sensitive. You may make money from the government.

Since Sun and the second lord are positioned in the same house, you will not hesitate to utilise your knowledge and wealth for the benefit of the people and the world in general.

Since Mercury and the second lord are positioned together, you can earn a name in fields related to literature as well as mathematics.

Since the second lord is aspected by the fourth lord, there are chances of your gaining wealth through maternal connections.

Siblings

Third house in the horoscope mainly refers to siblings, courage and cleverness .

Since the 3rd lord is in the 4th, you will be intelligent and wealthy. Your spouse, who is unconventional in many ways, will probably be extraordinarily intelligent. However, you will not be dictated to, or manipulated by anyone, including your spouse. You may have step-brothers.

Since Mars happens to be in the 3rd house, you will be a capable, good-natured and wealthy individual. Brothers and sisters may consider you detrimental to their personal interest. It is your responsibility to maintain a happy marriage.

Property, Education etc.

The fourth house of your horoscope refers to property, education, mother, vehicles, and general happiness.

In your horoscope the lord of the 4th house is occupying the 4th itself. Even as a child, your love of tradition, community, and family will be recognized by others. You will acquire financial strength and will be extremely respected in society. You may be considered to have a hedonistic streak.

As Saturn is the lord of the 4th house, even as a child, you will demonstrate your leadership capabilities. Friends and classmates will readily accept you as their leader. You may assume a position of group leadership. When you grow up, you will have the ability to govern, and may be a responsible administrator.

You are likely to take up religious studies either on a full time basis or for your emotional satisfaction. You will be deeply committed to your field of inquiry.

Since Saturn is seen occupying the fourth, you may appear unhealthy. You will feel that you have lacked adequate love or attention from your mother. You are generally lethargic, and like to be left alone. You may have problems with some relatives. You may have problems with cars or houses. Your family life can be made more pleasant through your effort.

It is to be particularly noted that Mars is in the exalted position. This will generally minimize any bad effects otherwise described regarding acquisition of houses and land.

Children, mind, intelligence.

The fifth house of the horoscope mainly gives indications regarding children, mind and intelligence.

Since the 5th lord is in the ascendant, you will show scholastic aptitude in the field of your choice. You will be fascinated by magic shows, scientific experiments, and anything complex or challenging. If required, you can be devious especially in money matters. You may spend much less for children than you could really afford to. None of your children can force any decision on you prematurely. You will have authoritative powers and may become a judge, or police officer. You will intentionally or unintentionally delay having children.

Positioning of benefic planets in the fifth house from Lagna, Moon or Jupiter or benefic planets aspecting these houses is considered to favour well for having children. Such positive indications are seen in this horoscope.

Diseases, enemies, obstacles

The sixth house gives indications regarding diseases, enemies, obstacles and other generally negative topics.

The Moon occupies the 6th house. You may have abdominal trouble. Your sense of accommodation and

tolerance is comparatively low.

Since the 6th lord is in the 3rd, you may get annoyed if you do not get support and cooperation. This will make you angry, unsteady or insecure. Consequently, you may not be able to voice your ideas, or implement action when required. If you decide to clash with someone you love, the result can be full-scale war. The major mistake made by most of your friends, relatives, business associates, lover or mate is in attempting to force you to make a decision. Their efforts will not work, since you must decide at your own pace and time. But you should realise that it is beneficial for you and your brother to be friendly with your maternal uncle. You may have serious conflicts with your brother.

Ninth lord is in the sixth house. You may develop a tendency to worry about theft and robbers.

Marriage etc.

The various aspects of your married life are influenced by the 7th. house.

Your 7th lord is in the 12th house. You tend to believe and respect women more than most men. But you may have unsatisfactory relationships in your youth. As a husband, you will try to hold your family together. Their happiness will be important to you. You may earn a reputation for tardiness since it will be rather difficult for you to keep appointments due to external pressures. You may have to put in extra hours of work in the office or elsewhere. This may also create problems at home. You will be a satisfied husband and a proud father. But you will not be able to pay as much attention to the education of your children as you or your wife would like.

A person from the west could make an ideal partner for you.

Since Jupiter influences the Sun, your wife will probably be religious. She will give you good advice.

Apart from the above, you should be happy to note that there is a beneficial influence of Jupiter on the seventh house and this reduces any bad effects predicted otherwise.

Longevity, difficulties

The eighth house gives indications regarding longevity, medical treatment and other difficulties.

Since the 8th lord is in the ascendant, you are likely to be irritated by ritual and tradition. You may call yourself an atheist. You are very curious about everything, including sex, early in life. You will probably be involved in several relationships, and may suffer a broken heart, before you truly settle down. You keep trying over and over again until you reach the target you are seeking. You may suffer bodily complaints from illnesses or disfigurement. Your physical constitution may appear somewhat weak. Be careful in dealing with government agencies. Your taxes may be audited for no reason. You may become religious as you get older.

Your 8th house is occupied by Ketu. Your interests or involvements are unconventional.

Fortune, Prosperity, Inheritance etc.

In your horoscope, the lord of the 9th is occupying the 6th. This is not a beneficial position. As a child, you may be alienated from other children your age. You may have a limited number of friends even as an adult. The health of your father may be unsteady. Chronic ailments are a possibility.

It is significant that there is a beneficial influence of Jupiter on the 9th house, and this reduces any other bad effects.

Eleventh lord is in a Kendra position. Therefore, you will be able to enjoy wealth.

Since the 12th lord is in the 12th, you will have to save toward all the expenses you will surely have. You may not be physically strong. You will have excellent vision. You will be inclined to spend money on physical pleasure. You may be irritable or spiteful at times.

As Venus is in the 12th house, you are intelligent and romantic but tend to maintain undesirable associates. Regardless of the level of education, you are more brilliant than your peers.

Effect of Dasa/Apahara

In Indian Astrology, the Dasa system divides your life into periods and sub-periods which are influenced by various planets. The general trend of fortunes and misfortunes that may be expected are given below. The intensity of experiences may vary depending on the natal and transit position of the planets. This needs further in-depth analysis. The effects which are not applicable to a child should be considered as applicable to the parents. Predictions are given starting from current dasa onwards. Details of apahara (bhukti) are given for a maximum of twenty five years only. The starting and ending of each apahara is also shown. (The initial five years are skipped for infants.) Strength of planets is judged by their positions in Saptavarga.

Rahu Dosha & Ketu Dosha

Rahu and Ketu are shadowy planets. Their movement is interrelated and as parts of one body they are at all times just opposite to each other but keeping in view of aspect (drishti), they can be regarded together. In general, Rahu carries the positive and beneficial tone of Jupiter and hence stands for growth and development and self help while Ketu expresses the restrictions and obstacles of Saturn and hence thought to restrict growth. In this way Rahu represents positive objectives and Ketu denotes the easy way out with little opportunity for growth. Thus Rahu signifies materialism and desires, whereas Ketu signifies spiritual tendencies and process of the refinement of materialization to spirit but obstacles in the material realm. Rahu is considered to be wile, deceitful and dishonest.

Rahu Dosha

You may not inherit any fortune and should desist from taking loans. Mastering your temperament will keep your dear ones happy. Do not let your personal interests to upset your family life. Recognizing and avoiding bad friendships and habits will help you earn the respect of your family members. You can be happier, paying more attention towards your children. Get a Sarpayanthra and wear it with devotion Offer black gram, as naivedya, to Rahu (positioned at south-west, facing east) where Navagraha deities are arranged as per Vaidika Prathishta system. Do this offering for 9 days. Take a few grams of black gram with its outer peel and keep it under your pillow before you sleep. You should feed crows with these black grams in the morning after swinging it around your head. Follow this for 9 consecutive days, and on the 10th day visit Siva or Devi temple in the morning and give possible offerings. In some temples banyan tree and neem tree are grown nearby, and Naga deities are placed close to their base. Do Prathakshina (Parikarma) around such deities and offer abhisheka of turmeric powder. Offer Kuvala (Bael leaf) archanas to Lord Subrahmanya. Chant the following sloka daily to considerably reduce the ill effects of Rahu in your life.

Star Remedies

As you are born in the Bharani star, your star lord is Venus. Those born in this star work persistently to achieve their aims. But calculated moves may not give the expected results all the time. On the basis of the birth star, the Dasa periods of some planets may be generally unfavorable to you. The birth star being Bharani suggests that you may have adverse experiences during the dasa periods of Moon, Rahu and Saturn.

You may fail to see the brighter side of things many times. You may not be able to show sufficient compassion towards fellow beings. Give respect and their deserved status to women. You may have to restrict your likes and dislikes in domestic life.

The lord of the birth sign Medam is Mars. Therefore, there will be situations that demand sharpness and strength in your character. It will be beneficial to exercise civility in your words and deeds. You may experience difficulty in getting the deserved consideration even among the relatives. You should avoid transactions and auspicious functions on Rohini, Thiruvathira, Pooyam, Vishakham (Vrischikam sign), Anizham and Thricketta.

You must practice restraining your words and behaviour during the unfavourable Dasa periods, especially on the hostile stars. Try to stay away from unnecessary tussles. It is best not to interfere in others' matters during this period.

Practicing customary remedial measures will help to mitigate the negative effects.

Visiting temples and observing fast on the stars of Bharani, Pooram and Pooradam during the unfavourable Dasa periods will give good results. Particularly, the days when Bharani star and Fridays or Tuesdays come together are considered very auspicious for observing fast.

For a pleasant life, worship the lord of the star, Venus. Selecting and wearing dresses with white, light blue, red and multiple colours will bring good results.

Besides, measures to please the lord of the sign Mars will also bear fruit.

The lord of birth star is Lord Yama. Chant faithfully any of the following Mantras to appease Lord Yama and receive good prospects:

- 1 Om yamaaya thwaa makhaaya thwaasuryasya thwaa
Thapase devasthwa savithaa madhwaa navathu
Pridhivyaa samprshaspaahi archirasi
Shauchirasi thaposi
- 2 Om yamaaya namaha

Besides, nurturing plants, animals and birds is considered highly auspicious. Especially, caring elephant, the animal of Bharani star and not ill-treating it will bring good fortune. You should neither cut Nelli or its branches- the official tree- nor harm Pullu, the official bird of Bharani. Among the five elements, Earth is the element of Bharani. Abstaining from anti-earth activities and actually worshipping Earth will help you progress, observes Astrology.

AshtakaVarga Predictions

Ashtakavarga

Ashtakavarga system is a predictive method of Indian Astrology that uses a system of points based upon planetary positions. Ashtakavarga means eightfold categorization. It depicts eightfold strength of planets excluding the nodes of the Moon but including the ascendant. It is worked out according to certain well-established rules for measuring the planetary strength. The strength of each planet and the power and intensity of their influence depends upon the location of other planets and the ascendant in relation to it. Eight full points are assigned to each planet. They can obtain strength varying from zero to 8 points which, plotted on different signs in a chart, determine the possibility of a transiting planet in inducing auspicious or other effects during its sojourn in a particular sign. Events and their timings are to a large extent determined by the positioning of particular points. Depending on their negative or positive influences the native can take remedial measures or pre-empt unpleasant possibilities, just by being aware of the likely consequences. To be forewarned is to be forearmed --- the planets are one of the best guides to help condition mans mind to the possibilities of his future.

Transit forecast

Name	: Dharmendra (Male)
Birth Rasi	: Mesha
Birth Star	: Bharani
Position of planets on	: 7-May-2020

Sometimes the effects may be opposing, nullifying or reinforcing. The net effect is not indicated, but you should be able to get an idea of the dynamics at work by studying the impact of each particular transit aspect. Your immediate future, therefore, is a blend of the following predictions.

Transit of Sun

The Sun takes about a month to transit through one sign.

☀ (13-April-2020 >> 13-May-2020)

During this period Sun transits the Birth house.

Change is inevitable during this month. It may be for better or for worse depending on the other aspects present in your charts. Any change, or movement, either at work, or in the home, can occur at this time. Your financial fortunes may fluctuate at this time. You may face problems connected with work and travel. You will be firm in the decisions you take now.

☀ (13-May-2020 >> 12-June-2020)

During this period Sun transits the Second house.

Earlier losses will continue to affect you for some more time, but with less damaging effect. As a husband, or father, you may have to deal with problems connected with the finances of the home. However, the general trend at this time is toward progress. In matters of health, you may experience difficulty with your eyes and/or head.

☀ (12-June-2020 >> 12-July-2020)

☀ (31-March-2020 >> 30-June-2020)

During this period Jupiter transits the Tenth house.

You may face some annoying obstacles, but as you feel fairly self-confident you tend to ignore them and go ahead with your objectives. You will be less willing to take short-cuts, and more willing to work hard. But sometimes you lack patience and perseverance. You will be especially helped by your wife at this time.

☀ (1-July-2020 >> 20-November-2020)

You are feeling lucky again. Situations which irritated you earlier are slowly changing. People demonstrate their regard for you. This is a period where domestic happiness, enhanced prestige and respect from others will be experienced. You will get recognition for your service and attitude.

Transit of Saturn

Saturn is generally a sorrowful planet and its influence can be depressing. However, in certain positions it gives powerful and beneficial results. Saturn takes about two and a half years to move through a sign.

☀ (25-January-2020 >> 29-April-2022)

During this period Saturn transits the Tenth house.

You feel aggressive, and possess considerable drive. However, you may unnecessarily argue with the people you love. Thoughtless or impulsive acts could hurt your marriage. Sensitivity will be required at home. You will have an interesting social life. This period, known as Kandaka Sani, is not a good time for education.

☀ (30-April-2022 >> 12-July-2022)

Upagraha

Corresponding to each planet, a sub-planet (Upagraha) is calculated. The sub planets of Moon, Venus, Mars, Rahu and Ketu are based on the longitude of the Sun as follows.

Dhumadi Group of Sub-Planets

Planet	Upagraha	Method of Calculation
Mars	Dhuma	Longitude of Sun + 133 Deg. 20 Min.
Rahu	Vyatipata (Pata)	360 - Dhuma
Moon	Parivesh (Paridhi)	180 + Vyatipata (Pata)
Venus	Indrachapa (Kodanda)	360 - Parivesh (Paridhi)
Ketu	Upaketu	Indrachapa (Kodanda) + 16 Deg. 40 Min.

The sub-planets of Sun, Mercury, Jupiter, Saturn and an additional sub-planet of Mars are calculated based on the division of day or night into eight equal parts.

The first part belongs to the lord of the day, followed by the remaining lords of the week in cyclic order. The eight part is lordless. In the case of birth at night, out of the eight equal parts, the first seven are allotted to the lords of the planets starting from the 5th. weekday.

Two different methods are popularly adopted for finding the longitude. In the first method an ascendant is calculated for the beginning of the period ruled by the planet. In the second method, the end of the period is taken.

In the case of Gulika, the sub-planet of Saturn, a third method is also available to calculate the longitude of the dhumadi group of subplanets based on fixed values of rise time as given below. The value calculated thus is termed MAANDI in Astro-Vision Horoscope and presented along with the principal planets in the Rasi Chart.
