Wealth, land and properties

Land and properties, wealth, family, speech, food and skills are some of the important topics highlighted by the second house in a horoscope.

As the 2nd lord is in the 9th, you will become prosperous, industrious and competent during the latter part of your career. But there may be considerable physical suffering during the early part of your life. This leads you to secretly resent the loss of childhood innocence and pleasures. In later years, only through establishing unquestioned command over others, can you retain the necessary image of superiority and self-respect. You may finally recognize the value of religion and tradition. You will be accepted by your society. You will probably have some kind of inheritance. You will achieve your position through a combination of factors.

As the 4th lord is in the 8th, you are likely to encounter difficulties as a young girl during the period of education and while growing up. You secretly envy your brothers who get preferential attention from your mother. In fact, as a daughter you will profit immensely from her realistic approach in life. It is very seldom that you realize that she has wonderful dreams and ambitions about her little girl. You may be separated from your father for one reason or other quite early in life. You may have to face certain problems arising from law suits.

As Mars is the lord of the 4th house you will demonstrate aggressive qualities and be a practical woman. Even when you are a small girl, the fighting spirit will be evident. The sense of commitment you show in your work will be highly appreciated by all around you. You will do much better in practice than in theory.

You are likely to take up religious studies either on a full time basis or for your emotional satisfaction. You will be deeply committed to your field of inquiry.

Apart from the above, you should be happy to note that there is a beneficial influence of Jupiter on the fourth house and this reduces any bad effects predicted otherwise.

Children, mind, intelligence.

The fifth house of the horoscope mainly gives indications regarding children, mind and intelligence.

Since the 5th lord is in the 12th, you may not wish to or be able to have children. Even if you have children of your own, you should be prepared to face problems associated with them. You are at times blind, unreasonable, impetuous and obstinate. Children will demand an abnormal amount of freedom, much more than you are willing to give. Your determination, at times verging on obstinacy, will create much alarm at home. Ancient astrologers have warned that a blend of these two traits, if not carefully balanced, can cause great inconveniences to you and others. Eventually you may decide to give up worldly attachments, become spiritual and detached from society, wander from place to place, and ultimately attain Moksha or spiritual awareness.

Positioning of benefic planets in the fifth house from Lagna, Moon or Jupiter or benefic planets aspecting these houses is considered to favour well for having children. Such positive indications are seen in this horoscope.

Diseases, enemies, obstacles

The sixth house gives indications regarding diseases, enemies, obstacles and other generally negative topics.

Since the 6th lord is in the 10th, you will be better off far from home or in foreign countries. Conflicts will occur between you and your father. You will be a gifted conversationalist and be effective in communicating with others. There may be fights, disagreement or lawsuits over family land or property. You will be a strong influence in your husband's progress in life. You will enjoy travelling, even for picnics, or for a day at the beach. You will cherish the memory of each trip. Be less trusting about those you get involved with. Treat people with caution. Avoid getting yourself into compromising situations.

A person from the west could make an ideal partner for you.

You are a non-conformist and will chose the man you wish to marry regardless of what others say. You will be head-strong and stubborn. You may get married late. Apart from the above, you should be happy to note that there is a beneficial influence of Jupiter on the seventh lord and this reduces any bad effects predicted otherwise.

Longevity, difficulties

The eighth house gives indications regarding longevity, medical treatment and other difficulties.

Since the 8th lord is in the 10th, you enjoy spending time with your parents, even if you do not have a whole lot of time. You will cherish the moments you spent and reflect on them with great joy. It is difficult for you to remain with them as long as you would like. You cope well in crisis situations, but you tend to get anxious or worried if you feel crisis looming. Despite the impediments and obstacles you face, you will rise steadily in your career. Be careful and conniving if you must, because an assistant or a person under your control may turn against you or try and grab power from you. However, keep your accounts carefully and honestly, because they may be audited or examined by the government or law-enforcement. Your boss may suddenly leave the work place, and this could lead to your rise.

Your 8th house is occupied by Mars. Your relationships will probably be rough and unsteady. Your impulsive, or private actions may offend your spouse. You may feel that you are being misunderstood. You may have to undergo surgery.

Fortune, Prosperity, Inheritance etc.

As the 9th lord is in the 10th you will be popular and well liked, even in childhood. You will become famous or powerful. You will be in a position to command respect from many. Since you are destined to enjoy regal status, you might find your calling in defense, or politics. You will be liked by all who meet you. In your married life, both you and your husband will share a common honesty, youthfulness, refreshing candor, wisdom and wit. It will be surprising that sometimes you are quiet, timid and shy, whereas on other occasions you are talkative and very outgoing. You do have a dual personality.

Since Saturn is occupying your ninth, you may lead a solitary existence for a long time. You will be aggressive.

It is seen that the 9th house is hemmed in between malefic planets; therefore, the good effects given by other planetary combinations or positions may not be fully experienced.

It is significant that there is a beneficial influence of Jupiter on the 9th lord, and this reduces any other bad effects.

Star Remedies

As you are born in Chathayam star, your star lord is Rahu. Chathayam-born persons prefer to voice their opinions boldly. And this often stands in the way of maintaining healthy relationships. On the basis of the birth star, the Dasa periods of some planets may be generally unfavorable to you. The birth star being Chathayam suggests that you may have bitter experiences during the dasa periods of Saturn, Kethu and Sun.

There will be a number of visible changes in your mental disposition and activities during this period. You may get chances to involve in many adventurous activities. Your independent nature should not be such that it creates enemies. You will not make efforts to present your virtues before others. Make certain compromises in your likes and dislikes for a warm marital life.

The lord of the birth sign Kumbham is Saturn. Always be clear about the belief in others and the enthusiasm in the discharge of duties. Bear in mind the effect of your independent ideas and actions on others. Avoid transactions and auspicious functions in the unfavourable stars of Uthrattathi, Aswathi, Karthika, Uthram (Kanni sign), Atham and Chithira (Kanni sign).

You must practice restraining your words and behaviour during the unfavourable Dasa periods, especially on the hostile stars. Try to stay away from unnecessary tussles. It is best not to interfere in others' matters during this period.

Practicing customary remedial measures will help to mitigate the negative effects.

Praying regularly to Lord Ayyappa and Serpent Lord, particularly during the hostile Dasa period, is considered to be beneficial. For better results, pray to the Serpent lord on the birth star of Chathayam and on the associated stars of Chothi and Thiruvathira. Presenting offerings according to your ability on the Chathayam star is also auspicious.

Pray daily to the lord of the star, Rahu, to get good results. Plant the Kadambu tree at an appropriate place and also take steps to preserve Sarpa kavus. Besides, it is best to skip rice meal once on Saturdays.

Moreover, observing the rites to appease the lord of the sign, Saturn will bring good results. Skip rice meal once on Saturdays. Selecting and wearing red, dark blue and black dresses is considered auspicious.

Varunan is the lord of Chathayam star. Chant faithfully any of the following Mantras to appease the lord and receive good prospects:

- 1 Om varunasyotham banamasi varunasya
Skambasarjjaneesdho varunasya ritha sadhanyasi
Varunasya rithasadhanamasi varunasya
Rithasadhanamaasidha
- 2 Om varunaaya namaha

AshtakaVarga Predictions

Ashtakavarga

Ashtakavarga system is a predictive method of Indian Astrology that uses a system of points based upon planetary positions. Ashtakavarga means eightfold categorization. It depicts eightfold strength of planets excluding the nodes of the Moon but including the ascendant. It is worked out according to certain well-established rules for measuring the planetary strength. The strength of each planet and the power and intensity of their influence depends upon the location of other planets and the ascendant in relation to it. Eight full points are assigned to each planet. They can obtain strength varying from zero to 8 points which, plotted on different signs in a chart, determine the possibility of a transiting planet in inducing auspicious or other effects during its sojourn in a particular sign. Events and their timings are to a large extent determined by the positioning of particular points. Depending on their negative or positive influences the native can take remedial measures or pre-empt unpleasant possibilities, just by being aware of the likely consequences. To be forewarned is to be forearmed --- the planets are one of the best guides to help condition mans mind to the possibilities of his future.

Moon's Ashtakavarga

Your luck with the influence of the moon is due to the presence of four Bindus in your chart. You will be generally regarded as a lucky mascot or the harbinger of good fortune. This influence may be responsible for the prosperity your household is likely to enjoy.

Sun's Ashtakavarga

There is no avoiding the effects of the three Bindus present in the sun's ashtakavarga in your chart. Frequent travel and consequent physical exertions effected to your body will be many and will exhaust and tire you to the point of frustration. Yet the control of your mind will depend on you. Be ever on guard to ensure this does not

afflict your mental well being. Take counsel from learned professionals to help you tide over the rough periods of life.

Mercury's Ashtakavarga

The presence of four Bindus in Mercury's ashtakavarga does not bode well for employment or career success. This being just an indicator, you would do well to work on your chances and make the most of available opportunities as well as consolidate existing positions if any so as to mitigate the unfavourable effects of your planetary positions. If loss of occupation becomes inevitable, cultivate the mental strength to overcome the situation.

Venus' Ashtakavarga

The best things in life for you will be got from your association with friends. Socially acceptable geniality and popularity characterise your personality and will play a major role in all your accomplishments. You will shine in personnel and human resource management fields due to your good social skills.

Mars' Ashtakavarga

You are fortunate to have the presence of four Bindus in the ashtakavarga of Mars on your chart. This positioning helps to mitigate the detrimental effects of the planets endowing you with equal proportions of good and bad fortune. You may not have the chance for excessive jubilation but neither will you sink into the abyss of deep sorrow.

Jupiter's Ashtakavarga

The goddess of wealth does not cease to smile on your fortunes. You are so blessed with the unusual presence of six Bindus in Jupiter's ashtakavarga that you are unlikely to ever experience lack of money or vehicles. The best of both will always be at your service.

Saturn's Ashtakavarga

At some point in your life there may come a time when the chances of imprisonment will loom large. You should be careful while brushing with the authorities as the presence of two Bindus in Saturn's ashtakavarga indicates the likelihood of incarceration. You are also prone to ill-health. It would be prudent to look after your health and keep official documentation up- to-date to avoid punishment.

Sarvashtakavarga Predictions

Meena to Mithuna has the most number of bindus in your chart. This points to bliss in childhood . The days that you are most likely to cherish are the best days of your childhood years. Academically, physically, financially and from the family angle, any which way you look at it, your early formative years look fulfilled and care free.

At the age corresponding to the figures in the signs occupied by Jupiter, Venus and Mercury..your fortune turns for the better . Your educational ambitions will materialise and you could acquire that coveted seat for higher education if you have been aspiring towards that. Your future looks set to take off on the path to wealth, recognition and fame for your professional accomplishments . Personal life will also match up giving you the ideal mate and marital togetherness will bring much joy . Your life with progeny also appears blessed. This is the stage of life that will be one of the most rewarding for you.

In your case this special periods comes in your 27 and 26 years of age.

In your horoscope, the Lagna, 9th, 10th and 11th houses have only 30 or less number of bindus. This predisposes the native to be bereft of wealth. Life could be fraught with stresses and tensions leading to ill health, if not taken care of early enough. But there is nothing to be gained at blaming your fate and becoming ill tempered. Instead avoid the physical consequences of negative thoughts by taking charge of your life and overcoming obstacles.

Upagraha

Corresponding to each planet, a sub-planet (Upagraha) is calculated. The sub planets of Moon, Venus, Mars, Rahu and Ketu are based on the longitude of the Sun as follows.

Dhumadi Group of Sub-Planets

Planet	Upagraha	Method of Calculation
Mars	Dhuma	Longitude of Sun + 133 Deg. 20 Min.
Rahu	Vyatipata (Pata)	360 - Dhuma
Moon	Parivesh (Paridhi)	180 + Vyatipata (Pata)
Venus	Indrachapa (Kodanda)	360 - Parivesh (Paridhi)
Ketu	Upaketu	Indrachapa (Kodanda) + 16 Deg. 40 Min.

The sub-planets of Sun, Mercury, Jupiter, Saturn and an additional sub-planet of Mars are calculated based on the division of day or night into eight equal parts.

The first part belongs to the lord of the day, followed by the remaining lords of the week in cyclic order. The eight part is lordless. In the case of birth at night, out of the eight equal parts, the first seven are allotted to the lords of the planets starting from the 5th. weekday.

Two different methods are popularly adopted for finding the longitude. In the first method an ascendant is calculated for the beginning of the period ruled by the planet. In the second method, the end of the period is taken.

In the case of Gulika, the sub-planet of Saturn, a third method is also available to calculate the longitude of the dhumadi group of subplanets based on fixed values of rise time as given below. The value calculated thus is termed MAANDI in Astro-Vision Horoscope and presented along with the principal planets in the Rasi Chart.
