Wealth, land and properties

Land and properties, wealth, family, speech, food and skills are some of the important topics highlighted by the second house in a horoscope.

As the 2nd lord is in the ascendant, there is little doubt that you ultimately make money. However, your relationship with your parents and siblings will be far from satisfactory. Even in youth, you will look beyond the home for comfort and pleasure. You may resent your parents and see them as barriers to your progress and happiness. In business, you must remain vigilant so as to avoid fraud. Your financial fortunes will rise and fall intermittently, and therefore cause you much worry. You are occasionally abrupt or rude to others.

Property, Education etc.

The fourth house of your horoscope refers to property, education, mother, vehicles, and general happiness.

In your horoscope, the 4th lord is occupying the 6th, so you will probably be quick-tempered. In addition, you may develop unusual habits which may not win you approval in society. You are a wanderer and find it hard to stay at home, even as a boy.

As Jupiter is the lord of the 4th house, you will be devoted to the cause of your choice. You will have a missionary

zeal in what you do. You have a deep commitment and devotion to your enterprise. You will command respect from men as well as women on account of your sense of service and spiritual values. You are capable of seeing both sides of the argument and rendering judgment without favoritism.

Since Mars is occupying the fourth, you are likely to do well in politics. You should not expect too much from your mother, relatives, or friends. You are likely to argue with your mother.

Fortune, Prosperity, Inheritance etc.

In your horoscope, the lord of the 9th house is positioned in the 11th. Hence it is expected that you will slowly amass wealth and power. You will have powerful and influential friends. You will reach high positions in life.

Since Ketu is found occupying the ninth, you will be fond of ostentation and exhibition. Arrogance is part of your nature. Hostility towards parents will be expressed. Generally, you are near-sighted in your approach to problems. You will have a good spouse and children.

It is seen that the lord of 9th is very weak which reduces the good effects.

Income

The eleventh house mainly gives indications regarding income and sources of income.

As the 11th lord is in the 10th, you will do well in business and make a good profit. You can expect assistance from your older brother. You will win awards or prizes for your original contributions to your subject or field of study.

Since Sun occupies the 11th house, you will have powerful or influential friends. You will be optimistic and competent. Your father may endure difficulties. You will be long-lived.

Since Mercury occupies the 11th house, you will be honest and intellectual. You will have good friends, and you will do well in business.

Eleventh lord is in a Kendra position. Therefore, you will be able to enjoy wealth.

Gem Recommendation

Gems are wonderful creations of nature. Crystals have many special properties and find applications in scientific areas including electronics. Crystal oscillators, diodes, piezo-electric crystals etc. are examples. Gem stones are found in natural form in many shapes and colours. They differ in physical and chemical properties from one another. The stones are cut and polished to give the required beauty and shine.

From ancient times scholars have associated gems with planets, based on the colour and the effect that is produced by wearing the same. Not only the Indians but Chinese and Egyptians believed in the mystical and therapeutic qualities of gem stones.

The science of gems and astrology is now brought closer to the common man as a result of the research work done by Astro-Vision.
