## Wealth, land and properties

Land and properties, wealth, family, speech, food and skills are some of the important topics highlighted by the second house in a horoscope.

As the 2nd lord is in the 3rd, you will be wise, brave, ethical, and parsimonious. You equate love with the essence of existence itself. You accept and return love spontaneously without analyzing its merit or value. You may eschew religious beliefs and become addicted to material diversions. You will be helped by a sister. Interest in fine arts, and music will prove rewarding in time. You instinctively feel the need for companionship in both love and business. May not pay much attention to religious ceremonies.

Since Mercury is in the 2nd house, you will be a good speaker with poetic talents. You will enjoy self-earned wealth and good food. Your family life will be pleasant.

## Property, Education etc.

The fourth house of your horoscope refers to property, education, mother, vehicles, and general happiness.

In your horoscope the lord of the 4th house is occupying the 1st, so it is possible that the girl you marry will be someone you've known for a long time. You will be an educated man. However, you may lack communication skills

and therefore you may find it difficult to express yourself in public. You will do well to learn public speaking. You have to be extremely careful about your finances if you wish to retain the property that you have inherited.

As Venus is the lord of the 4th house, you will develop an interest in poetry even in youth. When you grow up, you will be recognized as an individual with a philosophical mind. Your interest in literary activities will continue throughout your life. There will be a touch of music, art and discipline in every thing you do. Generally, you are more of a thinker than a doer. No one can force you to do something that you are not convinced about.

Since Rahu is found occupying the fourth, your behaviour may be confusing to others. People may not understand why you do what you do. You should be careful not to be dragged into shady dealings, and criminal schemes. Make friends and listen to advice from friends and family. It may be noted that Rahu in the fourth suggests that you have diplomatic skills. You will do well in situations that call for politic efforts both at home and outside. You will have an inborn talent for bringing peace to troubled situations.

### Gem Recommendation

Gems are wonderful creations of nature. Crystals have many special properties and find applications in scientific areas including electronics. Crystal oscillators, diodes, piezo-electric crystals etc. are examples. Gem stones are found in natural form in many shapes and colours. They differ in physical and chemical properties from one another. The stones are cut and polished to give the required beauty and shine.

From ancient times scholars have associated gems with planets, based on the colour and the effect that is produced by wearing the same. Not only the Indians but Chinese and Egyptians believed in the mystical and therapeutic qualities of gem stones.

The science of gems and astrology is now brought closer to the common man as a result of the research work done by Astro-Vision.
