This report describes the influence of planets on your character and life. You may find repetitions or contradictions in the report which only show the interactive nature of various planets on your life.

Wealth, land and properties

Land and properties, wealth, family, speech, food and skills are some of the important topics highlighted by the second house in a horoscope.

As the 2nd lord is in the 4th, you will have opportunity to accumulate much wealth. Emotionally, you are dependant on physical manifestations of love. You see the need to develop a permanent, hard, protective shell against the world to shield yourself from those you consider your adversaries. You will be thrifty in money dealings. You will do well financially from dealings with cars, land, or commissions. You will be assisted by your maternal relatives.

Since Rahu is positioned in your 2nd house, fluency of speech may be affected. There will be something remarkable about your face. You will be sensitive. You may make money from the government.

It is seen that Jupiter aspects the second lord. You can find happiness in reading and comprehending ancient history and epics and sharing your wealth of knowledge with others.

Property, Education etc.

The fourth house of your horoscope refers to property, education, mother, vehicles, and general happiness.

In your horoscope, the 4th lord is occupying the 6th, so you will probably be quick-tempered. In addition, you may develop unusual habits which may not win you approval in society. You are a wanderer and find it hard to stay at home, even as a boy.

As Mars is the lord of the 4th house, you will have a martial spirit and take this mentality into any activity with which you become involved. However, you will also possess a lot of practical wisdom. Your warrior like sense of commitment will be highly appreciated. Your orientation is practical rather than theoretical.

Since Saturn is seen occupying the fourth, you may appear unhealthy. You will feel that you have lacked adequate love or attention from your mother. You are generally lethargic, and like to be left alone. You may have problems with some relatives. You may have problems with cars or houses. Your family life can be made more pleasant through your effort.

Apart from the above, you should be happy to note that there is a beneficial influence of Jupiter on the fourth lord and this reduces any bad effects predicted otherwise.

Fortune, Prosperity, Inheritance etc.

In your horoscope, the lord of the 9th house is occupying the 5th. This indicates that your father's prosperity will increase after your birth. Similarly, when you become a father, your children will prove to be fortunate. They will enjoy success and recognition.

Income

The eleventh house mainly gives indications regarding income and sources of income.

As the 11th lord is in the 6th, you will gain money through maternal relatives, law suits, and running nursing homes. There may be problems connected with learning. You will find happiness far away from your place of birth. It will probably be better for you to work for a good company rather than independently. Occasional financial reversals should not cause you undue worry.

Since the Moon occupies the 11th house, you will have reliable friends. You will do well in the area of speculation. You will make money and enjoy life.

Gem Recommendation

Gems are wonderful creations of nature. Crystals have many special properties and find applications in scientific areas including electronics. Crystal oscillators, diodes, piezo-electric crystals etc. are examples. Gem stones are found in natural form in many shapes and colours. They differ in physical and chemical properties from one another. The stones are cut and polished to give the required beauty and shine.

From ancient times scholars have associated gems with planets, based on the colour and the effect that is produced by wearing the same. Not only the Indians but Chinese and Egyptians believed in the mystical and therapeutic qualities of gem stones.

The science of gems and astrology is now brought closer to the common man as a result of the research work done by Astro-Vision.
