Upagraha

Corresponding to each planet, a sub-planet (Upagraha) is calculated. The sub planets of Moon, Venus, Mars, Rahu and Ketu are based on the longitude of the Sun as follows.

Dhumadi Group of Sub-Planets

Planet	Upagraha	Method of Calculation
Mars	Dhuma	Longitude of Sun + 133 Deg. 20 Min.
Rahu	Vyatipata (Pata)	360 - Dhuma
Moon	Parivesh (Paridhi)	180 + Vyatipata (Pata)
Venus	Indrachapa (Kodanda)	360 - Parivesh (Paridhi)
Ketu	Upaketu	Indrachapa (Kodanda) + 16 Deg. 40 Min.

The sub-planets of Sun, Mercury, Jupiter, Saturn and an additional sub-planet of Mars are calculated based on the division of day or night into eight equal parts.

The first part belongs to the lord of the day, followed by the remaining lords of the week in cyclic order. The eight part is lordless. In the case of birth at night, out of the eight equal parts, the first seven are allotted to the lords of the planets starting from the 5th. weekday.

Two different methods are popularly adopted for finding the longitude. In the first method an ascendant is calculated for the beginning of the period ruled by the planet. In the second method, the end of the period is taken.

In the case of Gulika, the sub-planet of Saturn, a third method is also available to calculate the longitude of the dhumadi group of subplanets based on fixed values of rise time as given below. The value calculated thus is termed MAANDI in Astro-Vision Horoscope and presented along with the principal planets in the Rasi Chart.

Benefic and Malefic planets

Jupiter, Venus and Moon with Paksha Bala are natural benefics..From Shashti Thidhi in the Suklapaksha to Shashti Thidhi in the KrishnaPaksha, MOON has Paksha Bala.

In your horoscope Moon has Paksha Bala and is benefic.

Mercury turns malefic if it is associated with malefics.

But, there is no bad association for Mercury in your chart.

Benefic / malefic analysis based on lordship of houses

Although planets are classified as natural benefics and malefics their effect in a horoscope is to be judged by the lordships of different houses.

Lords of first, fifth and ninth houses are always benefic.

If natural malefics become lords of fourth, seventh and tenth, they turn benefic.

Lords of third, sixth and eleventh houses are malefic.

If natural benefics become lords of fourth, seventh and tenth, they turn malefic due to kendradhipathya dosham.

Lords of second, eighth and twelfth houses are to be considered as neutrals.

Except Moon and Sun, other planets take lordships of two houses and the net effect is to be judged.

While some astrologers assume that the lord of eighth house is always malefic, authentic texts indicate that the nature of eighth lord is to be judged by the lordship of the other house it owns.

Special Combination of Planets in the Horoscope (YOGA)

Yogas are special combination of planets in the horoscope which influence the life and future of a person. Some are formed by simple conjunction of planets, whereas others are based on complex astrological logic or peculiar placement of planets in the chart. Hundreds of combinations and their effects have been described in the ancient astrological texts. While some combinations are good, others may have undesirable effects.

The important combinations identified in your horoscope are listed below with a brief mention of the effect it can have on you.

Bhava Predictions

This report describes the influence of planets on your character and life. You may find repetitions or contradictions in the report which only show the interactive nature of various planets on your life.

Personality, physical structure, status

The first house of the horoscope represents the personality characteristics, physical structure, status and fame of the person.

Based on the position of Lagna the following characteristics may be present in your personality. You are: ambitious; warm-hearted; cheerful; steady; proud; determined; courageous; quick to anger; sincere; forgiving; adaptable. You are interested in: art; literature, music; the wilderness and forests; good food. Physically you are: broad shouldered, magnetic. You love music. You will do well in governmental or institutional jobs. You are extremely concerned about the welfare of your mother. You lead and encourage family discussions. You uphold traditional values, but you are tolerant. You may suffer from nervous troubles. Your ambitions may remain unfulfilled if misunderstandings arise with your superiors.

Since your Lagna lies in the first Drekkana of its house, you will make money through your own efforts. Though you will probably make good money, you may not save as much as you'd like. You will do well in the goods and services industry. You should be prepared for sudden ups and downs in your financial life. You will have a fascination for astrology. The important years in your life are 21,26,31,33,38,43,50 and 54.

Since the ascendant lord is in the 10th you will enjoy happiness from your parents. During childhood, however, you may feel stifled by parental authority and guidance. This early training will ensure that you have the foundation on which to build a good life. You will be nurtured by people in power over you because you will demonstrate your sense of discipline to others. You will probably make rather than inherit wealth. You will become wealthy through a variety of different interests.

Since the Moon occupies the first house, you will be strong, and have beautiful eyes. Your outlook will be spiritualistic.

Since Mars aspects Lagna, you will have a charitable mind.

Wealth, land and properties

Land and properties, wealth, family, speech, food and skills are some of the important topics highlighted by the second house in a horoscope.

As the 2nd lord is in the 9th, you will become prosperous, industrious and competent during the latter part of your career. But there may be considerable physical suffering during the early part of your life. This leads you to secretly resent the loss of childhood innocence and pleasures. In later years, only through establishing unquestioned command over others, can you retain the necessary image of superiority and self-respect. You may finally recognize the value of religion and tradition. You will be accepted by your society. You will probably have some kind of inheritance. You will achieve your position through a combination of factors.

Since the second lord is aspected by the seventh lord, there are chances of your gaining wealth supported by your life partner.

Siblings

Third house in the horoscope mainly refers to siblings, courage and cleverness .

Since the 3rd lord is in the 11th, you will be good at business. You will know how to look after your interests, whether you are dealing with outsiders or with your own family. Nothing hurts and angers you more than to be unjustly mistrusted or suspected by members of your family. You are capable of becoming spiteful. But your

resentment is temporary and rarely leads to permanent bitterness. You become dependent on your brothers and are ready to serve them. Health problems may worry you unnecessarily.

Since Saturn happens to be in the 3rd house, you will have a loving partner who will complain about your eating habits. You will be wealthy, famous, and long-lived.

Property, Education etc.

The fourth house of your horoscope refers to property, education, mother, vehicles, and general happiness.

In your horoscope, the lord of 4th house is occupying the 10th. Even as a boy, you will be interested in chemicals and related matters. You will succeed in what you set out to do. As an adult, your personality will be felt by all around you. You will be successful if you enter politics. However, you have to safeguard your reputation if you do decide to enter the political arena.

As Mars is the lord of the 4th house, you will have a martial spirit and take this mentality into any activity with which you become involved. However, you will also possess a lot of practical wisdom. Your warrior like sense of commitment will be highly appreciated. Your orientation is practical rather than theoretical.

Since Jupiter is seen occupying the fourth, you will be educated and philosophical. You will enjoy the patronage and concern of those in power. You are respected, fortunate and spiritually-inclined.

It is seen that the fourth house is hemmed in between malefic planets. Therefore the good effects given by other planetary combinations or positions will not be fully experienced. Delays and difficulties in owning a house, in education, etc., are to be expected.

Apart from the above, you should be happy to note that there is a beneficial influence of Jupiter on the fourth lord and this reduces any bad effects predicted otherwise.

Children, mind, intelligence.

The fifth house of the horoscope mainly gives indications regarding children, mind and intelligence.

Ketu is placed in the 5th house. You have special faculties which may remain undeveloped. You are erratic at times.

Since the 5th lord is in the 4th, you will have opportunity to acquire money from an early age. You will be able to provide beautiful homes and luxurious surroundings for you and your family. Your mother will probably be long lived. You are inclined to be aggressive, impulsive, bossy, extravagant, talkative, and optimistic. But if you feel a suggestion is valid, sensible, and presented affectionately, you will consider it and finally accept it with surprising docility regardless of whether that advice comes from an adult or a child. You will have more daughters than sons.

Positioning of benefic planets in the fifth house from Lagna, Moon or Jupiter or benefic planets aspecting these houses is considered to favour well for having children. Such positive indications are seen in this horoscope.

Diseases, enemies, obstacles

The sixth house gives indications regarding diseases, enemies, obstacles and other generally negative topics.

Since the 6th lord is in the 3rd, you may get annoyed if you do not get support and cooperation. This will make you angry, unsteady or insecure. Consequently, you may not be able to voice your ideas, or implement action when required. If you decide to clash with someone you love, the result can be full-scale war. The major mistake made by most of your friends, relatives, business associates, lover or mate is in attempting to force you to make a decision. Their efforts will not work, since you must decide at your own pace and time. But you should realise that it is beneficial for you and your brother to be friendly with your maternal uncle. You may have serious conflicts with your brother.

Marriage etc.

The various aspects of your married life are influenced by the 7th. house.

Your 7th lord is in the 3rd house. You will do anything to maintain and enjoy the interest of your wife. Not only you will be faithful to your wife, but you will also hold her wishes and desires paramount. You will notice and appreciate the good fortune she has brought to your life. You will admire and respect her. You will take keen interest in clothing, and you will be particular about the clothes that you and your partner wear. You will be unusually interested in the legal profession. You will have skill and knowledge of the world of finance and trade. You will have an interest in literature. You will be selective about your choice of a mate. You will chose a woman whose tastes and talents complement your own. You will have a variety of interests and pastimes. You are diplomatic and clever in what you set out to do.

A person from the west could make an ideal partner for you.

Since Jupiter influences the Sun, your wife will probably be religious. She will give you good advice.

It is seen that Venus is afflicted by other planets. Hence, occasional disturbances in family life should be expected. Both partners are advised to take care to ensure the success of the family unit.

The lord of the seventh house is in the exalted position, and this indicates luck through marriage.

Longevity, difficulties

The eighth house gives indications regarding longevity, medical treatment and other difficulties.

Since the 8th lord is in the 4th, you may be separated, or be away from mother from early childhood. The place you grow up in may not be your home. You have abundant love, affection and self-control. But you let these emotions out only on those who really come close to you. You have always difficulty in deciding the true nature of people you meet. Therefore, your mental stability will suffer. Domestic quarrels accompany financial and other problems. Your parents health may become a cause for concern after a while. Rahu Dosha & Ketu Dosha

Rahu and Ketu are shadowy planets. Their movement is interrelated and as parts of one body they are at all times just opposite to each other but keeping in view of aspect (drishti), they can be regarded together.

In general, Rahu carries the positive and beneficial tone of Jupiter and hence stands for growth and development and self help while Ketu expresses the restrictions and obstacles of Saturn and hence thought to restrict growth. In this way Rahu represents positive objectives and Ketu denotes the easy way out with little opportunity for growth.

Thus Rahu signifies materialism and desires, whereas Ketu signifies spiritual tendencies and process of the refinement of materialization to spirit but obstacles in the material realm. Rahu is considered to be wile, deceitful and dishonest.

Star Remedies

As you are born in Pooram star, your star lord is Venus. You always make sure to talk sweetly and nicely. This may create trouble in achieving the expected efficiency in life.

On the basis of the birth star, the Dasa periods of some planets may be generally unfavorable to you. The birth star being Pooram suggests that you may have adverse experiences during the dasa periods of Moon, Rahu and Saturn.

There will be a number of visible changes in your thoughts during this period. Situations may arise where you will be forced to be submissive to others. Life may offer chances where you will have to show your faithfulness in marital life. Consider your financial status before offering help to others. You will show extra interest in luxuries during this period.

The lord of the birth sign Chingam is Sun. Therefore situations may arise where you have to display enthusiasm and boldness in life. Unjust partiality should be avoided at best.

Avoid transactions and auspicious functions in Atham, Chothi, Anizham, Pooruruttathi (Meena), Uthrattathi and Revathi.

You must practice restraining your words and behaviour during the unfavourable Dasa periods, especially on the hostile stars. Try to stay away from unnecessary tussles. It is best not to interfere in others' matters during this period.

Practicing customary remedial measures will help to mitigate the negative effects.

Praying regularly to Lord Shiva and Mother Goddess, particularly during the hostile Dasa period, is considered to be beneficial. Good fortune will follow those who visit temples on the birth star of Pooram and on the associated stars of Pooradam and Bharani. Observing fasts with purity, on the days in which Sundays and Pooram star come together, is also good.

Pray daily to the lord of the star, Venus, to get good results. Selecting and wearing white, light blue and red dresses is considered yet another way to please Sun and Venus.

Besides, observing the rites to please the lord of the sign, Sun will be beneficial.

Aryamavu is the lord of Pooram star. Chant faithfully any of the following Mantras to appease Aryamavu, one of the Adityans mentioned in the Rig Veda, and receive good prospects:

- 1 Om devyaavadhvaryyu aagatham radhena suryathwachaa
Madhwaa yagnam samanjadhe tham prathnayaa yam venashchithram
- 2 Om aaryamne nama

Besides, nurturing plants, animals and birds is considered highly auspicious. Especially, keep off from harming rat, the animal of Pooram star. Take care not to cut the Plash or its branches- the official tree- and harm Chakoram, the official bird of Pooram. Water is the element of Pooram. Worship the lord of water and stay away from water-polluting activities to ensure the approval of the lords.

Ashtakavarga

Ashtakavarga system is a predictive method of Indian Astrology that uses a system of points based upon planetary positions. Ashtakavarga means eightfold categorization. It depicts eightfold strength of planets excluding the nodes of the Moon but including the ascendant. It is worked out according to certain well-established rules for measuring the planetary strength. The strength of each planet and the power and intensity of their influence depends upon the location of other planets and the ascendant in relation to it. Eight full points are assigned to each planet. They can obtain strength varying from zero to 8 points which, plotted on different signs in a chart, determine the possibility of a transiting planet in inducing auspicious or other effects during its sojourn in a particular sign. Events and their timings are to a large extent determined by the positioning of particular points. Depending on their negative or positive influences the native can take remedial measures or pre-empt unpleasant possibilities, just by being aware of the likely consequences. To be forewarned is to be forearmed --- the planets are one of the best guides to help condition mans mind to the possibilities of his future.
