The sun transits one circle of 360 degrees of the zodiac in a whole year. To analyse the results for a specific year of your life, a horoscope is cast for the time when the Sun in transit reaches exactly where it was at the time of your birth. This horoscope is used to predict events and foretell your life for that particular year. The annual or progressed horoscope is similar to that of the Siderial Solar Return chart in Western Astrology.

Varshaphal is also known as the Tajaka or Tajik system of astrology. Of the many writers, Nilakanta and Kesava are the two great authors who have written elaborately on the Tajik system.

The annual horoscope analysis and predictions given here are based on the principles of the Tajik system. The point called Varshapravesh, is the entry into the new year and has great significance. This is calculated as per the elaborate methods suggested in the ancient texts. The day of the week of your birth, is also considered for Varshapravesh. Apart from the ascendant in the annual chart, called Varsha Lagna other important influences analysed are that of the Muntha, the Lord of Muntha and the Lord of the year.

There are wide differences in rules, for judging a horoscope under the Parasara system and the Varshaphal. The set of rules for aspects and combinations in the two systems are distinct. The strength of the planets are ascertained by Panchavargiya Bala rather than Shadbala, as in the Parasara system.

In the foregoing analysis, you can see that the effects of various factors are sometimes contradictory and at times reinforcing. While some unfavourable influences are neutralised by favourable factors, often you will experience all these at least partially at sometime during the year. An overall judgement of the year ahead is given at the end of each annual forecast.

Please remember that the Varshaphal period covers an entire year from the day of Varshapravesh, which is approximately from one birthday to another.

The predictions given here are indications of the fortunes ahead and you can surely surmount any hard times, by your diligence, will-power and the grace of God.

Effect of Muntha

Muntha is a sensitive point in the annual horoscope. Muntha moves by one rasi per year from the birth ascendant. The position of Muntha in the annual chart has a significant effect on the results one can expect during the year.

Muntha is in the tenth house. During this phase, you or your husband will do well at your career and travel in comfort wherever you go. There could be acquisition of some property for your family or you could gain some luxurious articles or even a new vehicle. Your elders or seniors will be favourable to you and your ideas. You will achieve the goals you seriously pursue. Take life in its stride to achieve a happy and contented state of mind.

Lord of Muntha

The lord of the house where Muntha is placed is called Munthesh, the Lord of Muntha. The effect of Munthesh is only secondary to that of Muntha.

In this case, while Muntha is placed well, the Lord of Muntha is in an unfavourable position. This nullifies some of the good effects given by Muntha. Also, some difficulties will be experienced during the year.

The lord of Muntha is in the fourth house. This year is likely to bring with it certain moments of anxiety. You could be worried about some situation at work or over a problem at home. However do try and take care of your health. You may have to face the loss of a position you hold or give up some possession you value. You could undergo some mental tensions too, during this period.

Lord of the year

Varsheswara, the lord of the year is selected based on various factors as shown above. The lord of the year has a significant influence on the events that unfold during the year. The strength of the planet is also an important consideration.

Moon is the lord of the year and is strong. This year will improve the income levels of your family and may even help gain some wealth. Your family will keep you happy. You will be a popular woman among your family and friends. There can be a rise in your position at work or in some socio-cultural organisation where you are actively involved. You could dominate over those you considered your opponents. And something you desired could be coming true, this year.

Birth Lagna

The position of birth lagna in relation to varsha lagna has special significance.

Birth lagna is the annual tenth house. This points to a generally successful year ahead for you. You will win favours from your elders or from those in power. You will rejoice in the success moments that come to you or your family, be it in any new projects or fresh ventures.

Planets in houses
