This report describes the influence of planets on your character and life. You may find repetitions or contradictions in the report which only show the interactive nature of various planets on your life.

Wealth, land and properties

Land and properties, wealth, family, speech, food and skills are some of the important topics highlighted by the second house in a horoscope.

As the 2nd lord is in the 12th, you are likely to be adventurous. You will probably not have a lot of money, but you'll be interested in wealth. You may have worries or problems due to your oldest brother, or oldest child. You yearn for love and consideration. Your greatest difficulties will be due to misplaced trust. You see much to criticize around you. Your income may be through religious trusts or organizations. In all probability you will become deeply involved with the government.

Since Venus is in the 2nd house, you will be a romantic and possess artistic skills. You will be faithful to your partner. You will be educated and affluent. Your life span will be average.

Since Mars and the second lord are positioned together, you can stand out in fields connected with law and justice.

Since the second lord and the fifth lord are in conjunction, there are chances of your gaining wealth through your progeny.

Property, Education etc.

The fourth house of your horoscope refers to property, education, mother, vehicles, and general happiness.

As the 4th Lord is in the 2nd, you are destined to be lucky in relation to your mother or maternal relatives. In all probability your mother received a great deal of help from her sisters, or other relatives. No one is able to dominate you or make you bend to their will. You can be clever and shrewd when the occasion demands. You tend to hide your emotional scars from others. Your acerbic wit and cutting remarks may cause discomfort to men who would like to get closer to you.

As Venus is the lord of the 4th house, you will show an interest in poetry, even in childhood. Later, you will be known as a philosophical and contemplative woman. There is a touch of music, art and finesse in all you do. You are more of a dreamer than a doer. No one can win your attention or approval by trivial arguments or deceit.

Since Saturn is seen occupying the fourth, you may appear unhealthy. You will feel that you have lacked adequate love or attention from your mother. You are generally lethargic, and like to be left alone. You may have problems with some relatives. You may have problems with cars or houses. Your family life can be made more pleasant through your effort.

Moreover, you are ready to face any challenge in life. You will no doubt enjoy prosperity and lead a happy family life. But you take pleasure in analyzing and criticizing your spouse. Your partner does not take kindly to your comments and may respond acrimoniously. To prevent or repair the damage caused by arguments, you'll have to utilize your charm and most imaginative love-making. Your sons will also be fortunate in life and enjoy success and distinction.

It is significant that there is a beneficial influence of Jupiter on the 9th house, and this reduces any other bad effects.

Gem Recommendation

Gems are wonderful creations of nature. Crystals have many special properties and find applications in scientific areas including electronics. Crystal oscillators, diodes, piezo-electric crystals etc. are examples. Gem stones are found in natural form in many shapes and colours. They differ in physical and chemical properties from one another. The stones are cut and polished to give the required beauty and shine.

From ancient times scholars have associated gems with planets, based on the colour and the effect that is produced by wearing the same. Not only the Indians but Chinese and Egyptians believed in the mystical and therapeutic qualities of gem stones.

The science of gems and astrology is now brought closer to the common man as a result of the research work done by Astro-Vision.
