You may have a dominating nature, which is good in one way. At the same time, that may not always work in partnerships. You like to be always clean and tidy.

You have a lot of interest in financial dealings. There will be no hesitation from your side to take risk regarding finances. Through these dealings, you may land up in challenging situations. Please make sure you are not ending up in arguments. At work, you are a goal-oriented and an optimistic person. You believe in practical solutions. Problem-solving can be a favorite domain for you. You will have leadership qualities and that may help you to rise in your career. At work, you may even move up to be a leader. Try to pick and choose between partners.

The sense of practicality and analytical mind will give you appreciation at work. You will try to analyze everything in a critical manner. The zeal for perfectionism should not bring any drifts in the relationships. Throughout your life, you will be a problem solver. At work, you will be helping unprivileged people. You will have a lot of financial dealings, so you have to be careful with your finances. Try to not invest money in any money chain kind of financial plans. You are destined to make money through hard work. You will be health conscious as well. There will be some opposition, but you will have the capability to overcome all that.

Your tenth house: An Analysis

The tenth house is known as the Karma bhava. This house indicates your career and social status. Through the analysis of this house, you may be able to understand what destiny has in store regarding your career. This analysis may help you to know what your potentials are and how you have to improve those qualities in order to have a prosperous career. This analysis is on the base of the planet which rules your tenth house and its strength, the sign for which the tenth lord is placed and the planet which is placed in the tenth house.

Your tenth lord is situated in Sixth house.

The planet which indicates career is placed in a house known for struggles. That does not mean your career will be always at stake. You will be working in a sector related to liabilities. These liabilities can come from sector like animal husbandry, law, finances, health, and nutrition. At work, you will be dealing with negative circumstances. At the same time, you have to be careful with your colleagues. They can be a cause for concern. At work, you will work to bring discipline in daily life. Wherever you work, you should not get into that office politics, which has ruined many successful careers.

Your tenth house is Capricorn rasi.

The sign of Capricorn is ruled by Saturn and this sign indicates masses, government, management, and mechanics. Capricorn is the sign which indicates ambitiousness and aspirations. You will be of course an ambitious person and you will be ready to go an extra mile to reap success from your career. At work, you will be closely working with the management team. You may even work in an industry connected with metal and engineering. Saturn also indicates manual jobs, so you may also give a lot of physical effort at work. Other few sectors indicated by Capricorn are service sector, security jobs, mining, plumbing, and other trades. You may even be a person working with the legal sector. You may use your skills as an administrator in some agencies connected with. Due to the nature of your, you may spend long hours at the workplace.

Your tenth house from lagna is Capricorn rasi and aspected by Sun.

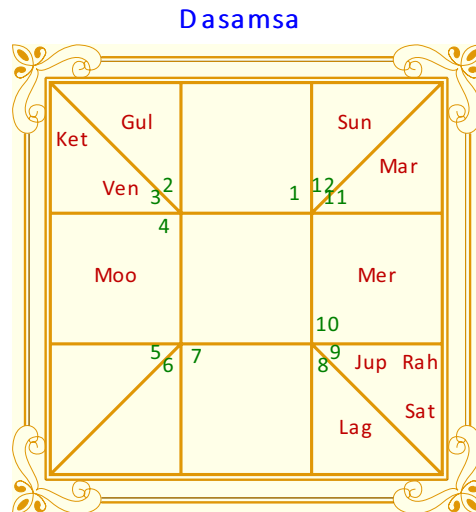

This aspect shows the chances to work in a domain connected with power and authority. You may meet authoritative people through your work. You may even work in a government job or in politics. At the same time, you have to be careful with your colleagues and superiors. They should not feel that you are very bossy. At work, you will be very ambitious. Since Sun also indicates arts and entrainment, you may even get a chance to work in this domain. You can even have own ventures. Working for the progress of children and youth groups are also seen.

Your tenth house does not have any planets. So, the career analysis is seen through two different aspects. The planet which rules the sign in the tenth house is taken into consideration as the first step. Then the placement of this planet is seen in the navamsa chart. Through this placement, career details are calculated.

Moon is the lord of the Navamsa occupied by the tenth lord. This is showing the connection with water or water-related domains. You can work in a mineral water-related industry. Shipping and marine related sector also will be suitable for you. Moon indicates woman and luxury as well. So, you may even work with products related to female products. Agriculture and farming also is an ideal domain for you. You can be a customer care professional. Any role like a childcare or old age counselor also will be suitable for you. You can be a counselor, teacher or a person who works with elderly females.

Career Overview

This is all about various parameters of your career. This analysis may give you a great idea about which path you should follow in your career. Whether you are destined to be an employee or a business owner may be revealed through this analysis. You may also get an idea regarding possible complexities in career and finances. The analysis is done by considering dasamsa chart, rasi chart, ninth house and planet which rules all of them.

You have to go an extra mile to set up a good career. There can be some delays or obstacles at work, so you should not be rebellious. You should always make your career moves after consulting with experts. Such moves may surely help you to have a prosperous career.

You may enter in a job before most of your contemporaries. At the same time, you should give enough effort to keep this pace throughout your career. You must try to learn new skills so that you can keep the pace.

According to your chart, the chances to move from one job to the other one are seen. You have to be careful with such transitions. That should not take away the good opportunities from your job. You may have multiple skills due to this transition.

All the planetary combinations are showing a chance to be an employer. At the same time, you have to be careful with your business, because it is showing a normal growth. It may be good if you always take expert advice to run your business. You should always remember to take regular SWOT analysis (Strengths, Weaknesses, Opportunities, and Threats).

You may have financial transactions for the progress of the business. So, it may be good if you get a training related to finance management. This may help you to be in a progressive mode in your venture. Also, try to have another source of income which may help you in your dire straits.

You may be a great employee at work. There may be few colleagues always around you. Business opportunities can come at a tertiary level. So, you should try to get into a job where you go to work daily.

You may have to be very careful to be the stable person. There are certain financial struggles seen. You should control your expenses as well. Otherwise, you may find it difficult to manage with your funds.

You may get many chances to go abroad for the career. The chances in the homeland are little weak. So, you should always prepare your resume according to international standards. It may be good if you learn one foreign language as well.
