This report describes the influence of planets on your character and life. You may find repetitions or contradictions in the report which only show the interactive nature of various planets on your life.

Wealth, land and properties

Land and properties, wealth, family, speech, food and skills are some of the important topics highlighted by the second house in a horoscope.

As the 2nd lord is in the 3rd, you will be wise, brave, ethical, and parsimonious. You equate love with the essence of existence itself. You accept and return love spontaneously without analyzing its merit or value. You may eschew religious beliefs and become addicted to material diversions. You will be helped by a sister. Interest in fine arts, and music will prove rewarding in time. You instinctively feel the need for companionship in both love and business. May not pay much attention to religious ceremonies.

Since the Moon occupies the 2nd house, you will be wealthy, principled, and romantic. You enjoy all things about the human condition. You are a delightful conversationalist and you are pleasant to deal with.

Since Mercury and the second lord are positioned together, you can earn a name in fields related to literature as well as mathematics.

It is seen that Jupiter aspects the second lord. You can find happiness in reading and comprehending ancient history and epics and sharing your wealth of knowledge with others.

Property, Education etc.

The fourth house of your horoscope refers to property, education, mother, vehicles, and general happiness.

As the 4th Lord is in the 2nd, you are destined to be lucky in relation to your mother or maternal relatives. In all probability your mother received a great deal of help from her sisters, or other relatives. No one is able to dominate you or make you bend to their will. You can be clever and shrewd when the occasion demands. You tend to hide your emotional scars from others. Your acerbic wit and cutting remarks may cause discomfort to men who would like to get closer to you.

As the Moon is the lord of the 4th house, you may have a wavering mind. You will need and get support from your father, husband or boss. As a girl, you will do well in school. You have good career potential. To develop your mind, it will help if you have the support of those at home, and finally a husband who understands you well.

Since the Sun is seen occupying the fourth, you are likely to be unnecessarily anxious. This tendency is worrisome, and irritating to those around you. You will change locations often. This position of the planets promises some inheritance. You will be interested in philosophical discussions. You are advised to avoid politics.

You have inborn talent and taste for studies connected with humanities such as political science, language studies, psychology and metaphysics. You will do well when employed in areas where human interaction is important.

Since the Moon is in an exalted position, you may acquire wealth through maternal connections. Your mother will be a source of happiness in your life.

The lord of the fourth is in the exalted position and this indicates luck in education, and in domestic life.

Fortune, Prosperity, Inheritance etc.

As the 9th lord is in the 7th, you will be successful in your marriage. Your father may go abroad and prosper there. You may also decide to move to another state or even another country. Your partner will be principled and lucky. You will not consider marriage or sex as a game, as a frivolous pastime, or sport. A partner who understands and fulfils your deeper desires need not worry about your fidelity. You enjoy spending quality time with the people you love. You may become impatient, if your lover is not as responsive or adventurous in love-making as you are. You and your spouse will complement each other's personality.

Since Ketu is found occupying the ninth, you will be fond of ostentation and exhibition. Arrogance is part of your nature. Hostility towards parents will be expressed. Generally, you are near-sighted in your approach to problems. You will have a good spouse and children.

It is seen that the lord of 9th is weak, and this reduces the good effects.

Income

The eleventh house mainly gives indications regarding income and sources of income.

As the 11th lord is in the 6th, you will gain money through maternal relatives, law suits, and running nursing homes. There may be problems connected with learning. You will find happiness far away from your place of birth. It will probably be better for you to work for a good company rather than independently. Occasional financial reversals should not cause you undue worry.

Gem Recommendation

Gems are wonderful creations of nature. Crystals have many special properties and find applications in scientific areas including electronics. Crystal oscillators, diodes, piezo-electric crystals etc. are examples. Gem stones are found in natural form in many shapes and colours. They differ in physical and chemical properties from one another. The stones are cut and polished to give the required beauty and shine.

From ancient times scholars have associated gems with planets, based on the colour and the effect that is produced by wearing the same. Not only the Indians but Chinese and Egyptians believed in the mystical and therapeutic

qualities of gem stones.

The science of gems and astrology is now brought closer to the common man as a result of the research work done by Astro-Vision.
