Attributes for Career Growth

This is all about your characteristics which can add value to your personality. These qualities may help you to grow a lot at work. There are certain attributes which can bring you some issues as well. So, you have to keep a balance so that your career graph can grow.

You are a much matured female. You are ambitious and hard working. Patience is another feature of this placement. You will not hesitate to wait for your success. You may look very reserved, but in your mind, you have a lot of plans. You may have to go an extra mile in keeping an optimistic face. At work, you may get connected with politics and law-related sectors. The zeal for perfection can bring issues with your dear and near ones. You are very analytical as well.

As an ambitious person, you will be always active. You may get opportunities to work in a speculative industry. The tendency to foresee things should be seen as a skill. By using these skills you can make a lot of money. Please make your plans in a practical way. You may start new ventures, and you should take it ahead with a lot of dedication. Be careful and trust people only after thoroughly investigating their credentials. At work, you will be managing the needs of the society. You may work with luxury products. The stable environment will attract you.

The ninth house is known as Bhagya sthan, and this is very good for you. You will be a very confident and optimistic person. Traveling will be a part of your life. You can even be a travel blogger. Your adventurous nature can be a concern for your dear and near ones. You have a strong interest in spirituality. You may even know various theologies. Multiple languages will be another skill set. You may have an interest in writing and publishing. Media and mass communications also will be an ideal domain for you.

Your tenth house: An Analysis

The tenth house is known as the Karma bhava. This house indicates your career and social status. Through the analysis of this house, you may be able to understand what destiny has in store regarding your career. This analysis may help you to know what your potentials are and how you have to improve those qualities in order to have a prosperous career. This analysis is on the base of the planet which rules your tenth house and its strength, the sign for which the tenth lord is placed and the planet which is placed in the tenth house.

Your tenth lord is situated in Twelfth house.

You will have a desire to work abroad. With this placement, you have to be very careful with people in authority. Please avoid all kind of frictions with government authorities. The twelfth house is a negative house, so when the planet indicates your career comes in this house, then naturally you have to go through struggles at work. So, at any time in your life, you should not take a risk with your job. Then the loss will be only yours. You will have an interest in charity, healing and spirituality relate domains. The chances to work with international organizations are huge. Your job will need creative thinking and execution. At work, you should not explore unknown domains. Otherwise, you may have issues with continuity of the job.

Your tenth house is Libra rasi.

The sign of Libra indicates beauty, luxury, deals, and masses. So, naturally, your work sector can have a tint of all these. At work, you may be dealing with a group of people. You will work towards making people special. The beauty industry is also indicated by Libra. So, at work, you may deal with paints, cotton, jute, textiles, perfumes, toiletries, silver, sugar, nursery, gardening and flowers. The ruler of Libra is Venus, and Venus indicates creative self-expression, so you may even work with your creative skills. When sign in your tenth house is Venus that indicates your presence will be highlighted in the society. It can be in a direct or indirect mode. Arts and entertainment related sector also can be important for you.

Your tenth house from lagna is Libra rasi and has Sun , Mercury and Jupiter.

This is a combination for a government job. You may even work closely with people in authority. You, yourself can be a politician as well. Influence from father or fatherly figures is shown through this placement. At the same time, you may have power struggles with your bosses. So, you have to be careful with your bosses. You will have to communicate directly with people. This placement shows a lot of authority. You can become little aggressive with your colleagues and that should not bring any issue. Your career will progress as you advance in age.

The Sun will in a kind of complex mode in Libra. You have to be very careful with your colleagues and bosses. Libra is the sign of beauty, luxury, and contracts. At work, you may work as a person who promotes beauty products. You may even work in a foreign land. This is not a great placement for a business kind of profession, just because, the Sun is not in a secure mode. Even if you want to start an own venture, then you have to do it under expert advice. At work, your job is to bring unity among others. You have to be very careful with your job environment. If you have to have a steady and progressive job, then you must focus on your skills.

Mercury is the planet for communication, speech, and media. You can be an official communicator. It can be in the role of a diplomat or a counselor. Translator role is also shown because Mercury indicates languages. You may find a job in communications and electronics related industry. At work, you may go for multi-tasking. Analysis and research will be a great part of your job. Business, cartoon, advertising, cartoon sketching or journalism can be a suitable domain for you. The business related environment is also suitable for you. You may even work with accounting and analytical skills.

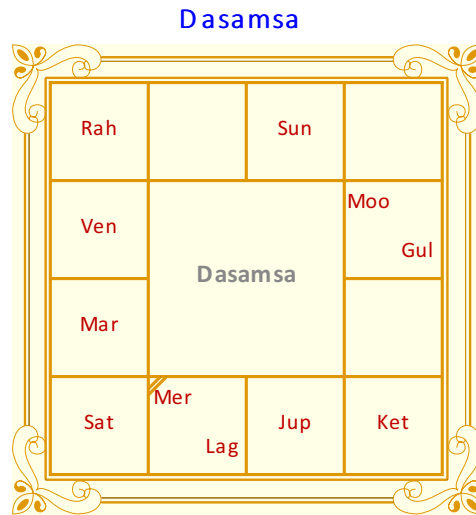

Libra is the sign for business relationships and unions. You will try to communicate regarding business projects. Mercury indicates communication, so you may work as a communicator at work. This is a suitable placement for a PR professional. You may even have the chance to work in a foreign country. This is also a good placement to be a lawyer. It also indicates other roles in the legal sector. At work, you will be working for masses. Your job will include a lot of analysis. The aim is to bring unity in the relationships. The role of a

Jupiter is the indicator for teachers or mentors. At work, you may have the image of a guru or a guide. This is a kind of intense placement for Jupiter because this is not an ideal place for Jupiter. So, you have to be very careful with your colleagues. You can be a lawyer or a judge. There are many options at work as Jupiter is a planet for expansion. You may have a parallel job as well. This is also a placement for a teacher. A profession in the medical sector is also seen through this. You may work in a finance related environment.

Libra is ruled by Venus and Venus indicates business, beauty, fashion, and courthouses. This placement gives you a chance to have a connection with law and order at work. At your work, you may work as a manager or a mentor. Jupiter is always known as a teacher in astrology. Anywhere you work, you will get an opportunity to guide your colleagues. You may work in a business environment. Your duty will be maintaining peace and order in the society. You can be a lawyer or a judge. This is also showing a management role in the fashion industry. You can even be a business owner.

Career Overview

This is all about various parameters of your career. This analysis may give you a great idea about which path you should follow in your career. Whether you are destined to be an employee or a business owner may be revealed through this analysis. You may also get an idea regarding possible complexities in career and finances. The analysis is done by considering dasamsa chart, rasi chart, ninth house and planet which rules all of them.

You have to be very careful with your job because there are certain struggles on your way. The only way to overcome that is to upskill. You have to be very choosy to work in a domain which is known to you. Otherwise, you may find some difficulties in getting prosperity from work.

You may have a hassle-free career start and that should make you happy. You may have a relaxed working environment. This is may be good for you and there may be enough opportunities to upskill.

There are certain hassles due to domain shift in your career. You may have to be a multi-tasker at work. This is indicating the need of learning multiple skills. These skills may help you to be very adaptable.

You may get enough chances to have own ventures. These ventures may have enough growth to make your ends meet. At the same time, you should not make plans in a jiffy. Think twice especially in the case of partnerships.

You may have a good opportunity to be stable at work. There may be a regular work environment around you. You may be able to shine as an employee. So, you should update your skills so that employers could notice you among others.

You may get chances to move abroad for career purposes. At the same time, the chances are not that strong which indicates a surety. You may have to focus on homeland as well as abroad. Even if you go, there may not be much difference as you work in the homeland.
