Attributes for Career Growth

This is all about your characteristics which can add value to your personality. These qualities may help you to grow a lot at work. There are certain attributes which can bring you some issues as well. So, you have to keep a balance so that your career graph can grow.

You are a very serious man and a very private person. You will have to spend a lot of energy to manage family matters. You may even work with matters related to the family. Like real estate deals, geology, child care or interior designing. There is nothing called short term in your life. Your eyes are set on long-term goals for your family and personal life. You will have a lot of attachment towards your family. You like to keep a secretive life. You will have a pleasant face and emotional nature. So, you have to move carefully with all your family matters.

You are a service-oriented person. At times you can be a passive person as well. You like the idea of cooperation. Due to this nature, you may do well in service-oriented sectors. There is nothing wrong with being a little introvert. So, if someone says that you are less social, you do not have to take it to the heart. You have to be very careful with your financial dealings. There can be some hurdles in the initial years of your career, but you will catch up as you advance in your age. Business-related sector or the private sector will be ideal for you. You are a peace lover and do not like to interrupt any peaceful environment. You will be a submissive person. You will like to nourish others.

You are an ambitious person. You like to be in the public space and this also shows the possibility of working in a public domain. At the same time, you may have to be careful with your bosses and mentors. You will always have a concern regarding your social status and career. This will be the main driving force in your life. You are very conscious about your public image. You will have no hesitation to work hard for your success. Through work, you may meet influential people. As you advance in your age, you will be more practical and happy. At the same time, power struggles are also seen.

Your tenth house: An Analysis

The tenth house is known as the Karma bhava. This house indicates your career and social status. Through the analysis of this house, you may be able to understand what destiny has in store regarding your career. This analysis may help you to know what your potentials are and how you have to improve those qualities in order to have a prosperous career. This analysis is on the base of the planet which rules your tenth house and its strength, the sign for which the tenth lord is placed and the planet which is placed in the tenth house.

Your tenth lord is situated in Second house.

This placement shows a lot of respect through the career. The planet which indicates career is in the sector for value addition. So, through this career, you will be getting a lot of value addition. Your career will be beneficial for you, and there will be a lot of wealth through the career. This placement indicates a person who is a hard worker and this person will make money through these efforts. There are chances for family business and chances to start own ventures. Your work can have a lot of connection with the assets of your family. There can be people with the similar job in your family. This trend will be visible in the immediate circle of relatives. This placement will give you a desire to make more and more money.

Your tenth house is Aries rasi.

You will be a self-starter at your work. The sign which indicates your career is in the first sign of the zodiac. That indicates your career will be in a domain which needs a lot of physical effort and initiation. You will be very ambitious and courageous. Since Aries is a fire sign, your work will always need a lot of energy to excel. At work, you can be in a role where you teach discipline and establish it. You will also need a lot of physical effort to be effective at your work. There will be a competitive environment at your workplace. Please try to be flexible with your colleagues. You will be a problem solver at work.

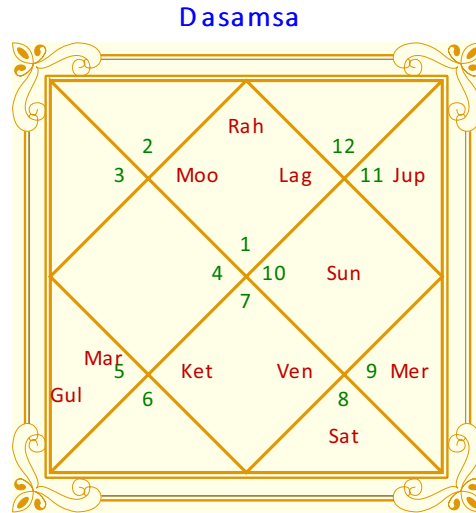

Your tenth house from lagna is Aries rasi and has Moon.

Opportunities from public and government sector are seen through this placement. At the same time, you may have some struggles in the initial years of your career life, because the tenth house is not ideal for Moon. At times, you may get stressed out. You will be dealing with the needs of people. This also indicates the health and healing sector. Since Moon is a feminine planet, you may have a lot of female colleagues at work. You will have an image of a person who cares for the needs of others. A career-related real estate deals are also seen through this placement. You can be even a teacher. This is also a placement for the politicians.

Aries is a fire sign and the first sign of the zodiac, so when the Moon comes in this sign, then, of course, you will be a very active person. You will have a very independent attitude and you may not wait for the time and for people to be in your favor. You have that much of mental energy to take any kind of challenge. At the same time, you have to be very careful with your thoughts. Since you always have a tendency to make hasty decisions, you must not jump to any conclusions. You will have the zeal to begin a lot of things, but make sure you are not losing the zeal as you advance through the project. At work, you may have to go an extra mile in keeping peace with your colleagues. Your open and frank may not be always appreciated by colleagues. There should not be an effort for instant gratification, if so, then there will be a lot of hurdles related to work.

Career Overview

This is all about various parameters of your career. This analysis may give you a great idea about which path you should follow in your career. Whether you are destined to be an employee or a business owner may be revealed through this analysis. You may also get an idea regarding possible complexities in career and finances. The analysis is done by considering dasamsa chart, rasi chart, ninth house and planet which rules all of them.

You must be very calculative regarding your career. There are certain delays shown in your career. First of all, you should not get distracted by looking at others career. You should go to a domain in which you have full expertise.

Finding your first job may not be a big struggle for you. This may be giving you enough opportunity to learn new skills. The more you upskill, the more you may be happy at work. You may be getting enough time to relax as well.

You may have to have more than one skill to excel at work. Due to various reasons, you may be shifting from one domain to other. So, it may be good if you expertise in multiple domains. That may help you to make more money

You may be working as a good employee for a fair share of your life. So, you should always update your skills to get the better opportunities. At the same time, there is nothing wrong with taking basic lessons regarding business. It may be good if you always follow expert advice to get maximum benefits from your career.

There are some struggles seen at work especially regarding finances. It may be good if you learn finance management so that you can have an easy plight. You should not take any risk with your finances. Try to choose productive investment plans.

The chances of a career in a foreign country are actually less. So, you have to focus on the homeland. There may be ample opportunities arising from the homeland. This may give you a happy life
